275-1 What this Division is about

The trustee of certain Australian managed investment trusts may make a choice that certain assets of the trust be dealt with under CGT rules. If the trustee does not make such a choice, those assets will be treated as revenue assets (see Subdivision 275-B).

Gains and profits from carried interests held in entities that are or were Australian managed investment trusts are included in the assessable income of the holder of the interests. The holder is entitled to a deduction from losses from such interests (see Subdivision 275-C).

Subdivision 275-A—Extended concept of managed investment trust for the purposes of this Division

Table of sections

275-5	Trust operated or managed by a financial services licensee etc.
275-10	Managed investment schemes that are not subject to requirement to be operated by financial services licensee
275-15	Every member of trust is a managed investment trust
275-20	No fund payment made in relation to the income year
275-25	Trust held by small group not to be treated as managed investment trust
275-30	Temporary circumstances outside the control of the trustee
275-35	Application of subsections 102L(15) and 102T(16)

275-15 Every member of trust is a managed investment trust

- (1) For the purposes of this Division, treat a trust in the same way as a *managed investment trust in relation to an income year if:
- (a) the condition in item 1 of the table in subsection 12-400(1) in Schedule 1 to the *Taxation Administration Act 1953* is satisfied; and
 - (b) every *member of the trust is a managed investment trust in relation to the income year (or a trust that is treated in the same way as a managed investment trust in relation to the income year through the operation of this Subdivision).

-
- (2) A requirement in paragraph (1)(a) is satisfied if, and only if, it is satisfied:
- (a) at the time the trustee of the trust makes the first *fund payment in relation to the income year; or
 - (b) if the trustee does not make such a payment in relation to the income year—at both the start and the end of the income year.

275-20 No fund payment made in relation to the income year

For the purposes of this Division, treat a trust in the same way as a *managed investment trust in relation to an income year if:

- (a) the trustee of the trust does not make a *fund payment in relation to the income year; and
- (b) the trust would be a managed investment trust in relation to the income year (or a trust that would be treated in the same way as a managed investment trust in relation to the income year through the operation of this Subdivision) if the trustee of the trust had made the first fund payment in relation to the income year on the first day of the income year; and
- (c) the trust would be a managed investment trust in relation to the income year (or a trust that would be treated in the same way as a managed investment trust in relation to the income year through the operation of this Subdivision) if the trustee of the trust had made the first fund payment in relation to the income year on the last day of the income year.

275-30 Temporary circumstances outside the control of the trustee

If, apart from a particular circumstance, a trust would be treated under this Subdivision in the same way as a *managed investment trust in relation to an income year, treat the trust in the same way as a managed investment trust in relation to the income year for the purposes of this Division if:

- (a) the circumstance is temporary; and
- (b) the circumstance arose outside the control of the trustee of the trust; and
- (c) it is fair and reasonable to treat the trust as a managed investment trust in relation to the income year, having regard to the following matters:
 - (i) the matters in paragraphs (a) and (b);

- (ii) the nature of the circumstance;
- (iii) the actions (if any) taken by the trustee of the trust to address or remove the circumstance, and the speed with which such actions are taken;
- (iv) the extent to which treating the trust as a managed investment trust in relation to the income year would increase or reduce the amount of tax otherwise payable by the trustee, the beneficiaries of the trust or any other entity;
- (v) any other relevant matter.

275-35 Application of subsections 102L(15) and 102T(16)

To avoid doubt, subsections 102L(15) and 102T(16) of the *Income Tax Assessment Act 1936* do not apply for the purposes of this Division.

 - (v) the CGT asset was treated as trading stock in the income tax return for the managed investment trust for the most recent income year ending before the time of the event.

Treatment of outgoings to acquire trading stock

- (5) The modifications in subsection (6) apply if:
- (a) an entity that is a *managed investment trust in relation to the income year *acquires a *CGT asset at a time in that income year; and
 - (b) the CGT asset is an item of *trading stock; and
 - (c) the CGT asset is *not* land (including an interest in land), or a right or option to acquire or *dispose of land (including an interest in land); and
 - (d) the entity incurs an outgoing in connection with acquiring the asset; and
 - (e) the asset is covered by section 275-105; and
 - (f) the entity meets the requirement in section 275-110 at the time; and

-
- (g) a choice under section 275-115 covering the entity is in force for the income year in which the time occurs.
 - (6) The modifications are as follows:
 - (a) section 8-1 (about amounts you can deduct) does not apply to the *acquisition;
 - (b) Division 70 (about trading stock) does not apply in relation to the asset in respect of:
 - (i) the income year in which the time occurs; and
 - (ii) any later income year in relation to which the entity is a *managed investment trust and throughout which the entity meets the requirement in section 275-110.

275-105 Covered assets

- (1) An asset is covered by this section if it is any of the following:

 - (d) land (including an interest in land);
 - (e) a right or option to *acquire or *dispose of an asset of a kind mentioned in paragraph (a), (b), (c) or (d).
- (2) However, the asset is *not* covered by this section if it is any of the following:
 - (a) a *Division 230 financial arrangement;
 - (b) a *debt interest.

275-110 MIT not to be corporate unit trust or trading trust

- (1) An entity that is a trust meets the requirement in this section at a time if the entity is *not* any of the following at that time:
 - (a) a corporate unit trust (within the meaning of section 102J of the *Income Tax Assessment Act 1936*) in relation to the income year in which the time occurs;
 - (b) a trading trust for the purposes of Division 6C of Part III of that Act in relation to that income year.

- (2) If, apart from a particular circumstance, a trust would meet the requirement in paragraph (1)(b) at a time, the trust also meets the requirement in this section at a time if:
- (a) the circumstance is temporary; and
 - (b) the circumstance arose outside the control of the trustee of the trust; and
 - (c) the trustee of the trust is *not* liable to pay income tax on the net income of the trust under section 102S of the *Income Tax Assessment Act 1936* for the income year in which the time occurs; and
 - (d) it is fair and reasonable to treat the trust as meeting the requirement in this section at that time, having regard to the following matters:
 - (i) the matters in paragraphs (a), (b) and (c);
 - (ii) the nature of the circumstance;
 - (iii) the actions (if any) taken by the trustee of the trust to address or remove the circumstance, and the speed with which such actions are taken;
 - (iv) the extent to which treating the trust as meeting the requirement in this section at that time would increase or reduce the amount of tax otherwise payable by the trustee, the beneficiaries of the trust or any other entity;
 - (v) any other relevant matter.

275-115 MIT CGT choices

- (1) The trustee of an entity that is a *managed investment trust may make a choice under this section that covers the managed investment trust.
- (2) The choice must be made in the *approved form.
- (3) The choice can be made only:
 - (a) if the entity became a *managed investment trust in the 2009-10 income year or a later income year (whether or not the entity existed before it became a managed investment trust)—on or before the latest of the following days:
 - (i) the day it is required to lodge its *income tax return for the income year in which it became a managed investment trust;

-
- (ii) if the Commissioner allows a later day for the managed investment trust—that later day; or
 - (b) otherwise—on or before the latest of the following days:
 - (i) the last day in the 3 month period starting on the day on which this section commences;
 - (ii) the last day of the 2009-10 income year;
 - (iii) if the Commissioner allows a later day for the managed investment trust—that later day.
 - (4) The choice, once made, cannot be revoked.
 - (5) The choice is in force:
 - (a) in the circumstances mentioned in paragraph (3)(a)—for the income year in which the entity became a *managed investment trust (whether or not the entity existed before it became a managed investment trust) and later income years; or
 - (b) in the circumstances mentioned in paragraph (3)(b)—for the 2008-09 income year and later income years.

275-120 Consequences of not making choice—revenue account treatment

- (1) This section applies if:

 - (b) the CGT asset is not:
 - (i) land (including an interest in land); or
 - (ii) a right or option to *acquire or *dispose of land (including an interest in land); and
 - (c) the managed investment trust disposes of, ceases to own or otherwise realises the asset; and
 - (d) disregarding this section:
 - (i) the net proceeds (if any) from the disposal, cessation or realisation would not be reflected in an amount being included in the assessable income of the managed investment trust (other than under Part 3-1 or 3-3); and
 - (ii) the gain or profit (if any) on the disposal, cessation or realisation would not be reflected in an amount being

- included in the assessable income of the managed investment trust (other than under Part 3-1 or 3-3); and
- (iii) the loss (if any) on the disposal, cessation or realisation would not be reflected in an amount being deductible by the managed investment trust.

- (2) For the purposes of this Act, treat the disposal, cessation of ownership of or realisation of the asset in the same way as the disposal, cessation of ownership of or realisation of a *revenue asset.

Other provisions

- (6) If any provision of this Act that is not mentioned above is to apply in relation to the asset by including an amount in assessable income, or by allowing an amount as a deduction, in a way that brings into account (directly or indirectly) any of the following amounts:
- (a) the cost of the asset;
 - (b) outgoings incurred, or amounts paid, in respect of the asset;

- (c) expenditure in respect of the asset;
- (d) an amount of a similar kind in respect of the asset;

the expression means that the provision applies, for the purpose of determining the amount included in assessable income or the amount of the deduction, as if the cost, outgoing, expenditure or other amount had been incurred or paid to acquire the asset at the particular time for an amount equal to its tax cost setting amount.

Note 1: This subsection modifies the application of the provision only for the purpose of determining the amount included in assessable income or the amount of the deduction. Therefore:

- (a) the acquisition mentioned in this subsection is recognised only for that purpose; and
- (b) apart from the things mentioned in subsection 701-56(1), that acquisition does not affect the operation of section 701-5 (the entry history rule) in relation to the asset for other purposes.

716-400 Tax cost setting and bad debts

- (1) The object of this section is to clarify the effect of section 701-5 (entry history rule) and subsection 701-55(6) in relation to an asset that may give rise to a bad debt. It achieves this object by clarifying that certain things are taken to have happened in relation to the asset through the operation of section 701-5 and subsection 701-55(6).
- (2) This section applies if:
 - (a) the tax cost of an asset was set at the time (the *joining time*) an entity (the *joining entity*) became a subsidiary member of a *consolidated group at the asset's tax cost setting amount; and
 - (b) the asset is a debt; and
 - (c) any of the following apply:
 - (i) the debt was included in the joining entity's assessable income before the joining time;

- (ii) the debt was in respect of money that the joining entity lent before the joining time in the ordinary course of a business of lending money;
 - (iii) the joining entity bought the debt before the joining time in the ordinary course of a business of lending money; and
 - (d) the requirements in subsection 701-58(1) (intra-group assets) are *not* satisfied in relation to the asset.
- (3) To avoid doubt, in determining the extent to which the *head company of the group can deduct an amount under section 25-35 (bad debts) in relation to the asset, section 701-5 (entry history rule) and subsection 701-55(6) have the effect that, before the joining time:
- (a) in a case covered by subparagraph (2)(c)(i)—the head company included an amount equal to the tax cost setting amount in its assessable income in respect of the debt; or
 - (b) in a case covered by subparagraph (2)(c)(ii)—the head company lent an amount of money in respect of the debt equal to the tax cost setting amount in the ordinary course of a business of lending money; or
 - (c) in a case covered by subparagraph (2)(c)(iii)—the head company incurred expenditure equal to the tax cost setting amount in buying the debt in the ordinary course of a business of lending money.

716-405 Tax cost setting and rights to future income—deduction

- (1) This section applies if:
- (a) an entity (the *joining entity*) became a subsidiary member of a *consolidated group at a time (the *joining time*); and
 - (b) subsection 701-55(5C) applies in relation to the asset at the joining time.

Note: Subsection 701-55(5C) deals with assets covered by section 716-410 (Rights to amounts that are expected to be included in assessable income after joining time).

- (2) An entity qualified for a deduction under subsection (5) for the asset for an income year ending after the joining time can deduct, for that income year:

Schedule 5 Consolidation

Part 1 Use of the tax cost setting amount

- (a) unless paragraph (b) applies—the amount determined under subsection (3A); or
 - (b) if it is reasonable to expect that no amount will be included in the assessable income of an entity qualified for a deduction under subsection (5) for the asset for any later income year—the unexpended tax cost setting amount for the asset for that income year.
- (3) Paragraph (2)(b) does not apply in relation to an entity qualified for a deduction under subsection (5) for the asset for that income year if:
- (a) the entity is the *head company of the group; and
 - (b) another entity ceased to be a *subsidiary member of the group in that income year; and
 - (c) the other entity can deduct an amount under subsection (2) for that income year because it is also qualified for a deduction under subsection (5) for the asset for that income year.
- (3A) For the purposes of paragraph (2)(a), the amount is the lesser of the following:
- (a) the *unexpended tax cost setting amount for the asset for that income year;
 - (b) the unexpended tax cost setting amount for the asset for the first income year ending after the joining time, divided by the lesser of:
 - (i) 10; or
 - (ii) if the contract or agreement giving rise to the valuable right mentioned in paragraph 716-410(a) is for a specified period—the number of days in that period that end after the joining time, divided by 365 and rounded upwards to the nearest whole number.
- (4) The ***unexpended tax cost setting amount*** for the asset for an income year is the *tax cost setting amount for the asset, reduced by:
- (a) the amounts (if any) of all deductions under this section in respect of the asset for previous income years ending after the joining time; and
 - (b) in determining the amount of a deduction under this section in respect of the asset for that income year for an entity that
-

ceased to be a *subsidiary member of the group in that income year—the amount (if any) that the *head company of the group can deduct under this section in respect of the asset for that income year.

- (5) An entity is qualified for a deduction under this subsection for an income year for the asset if:
- (a) the entity:
 - (i) is the *head company of the group; and
 - (ii) held the asset at a time in that income year (whether or not because of the operation of subsection 701-1(1) (the single entity rule)); or
 - (b) the entity:
 - (i) held the asset at a time in that income year; and
 - (ii) ceased to be a *subsidiary member of the group in that income year or an earlier income year.
- (6) An amount deducted under this section:
- (a) is not to be deducted under any other provision of this Act; and
 - (b) is not to be taken into account in determining an amount that is included in the assessable income of any entity qualified for a deduction under subsection (5) for any income year for the asset; and
 - (c) is not to be taken into account in determining an amount of a deduction of any entity qualified for a deduction under subsection (5) for any income year for the asset; and
 - (d) despite paragraphs (b) and (c), is taken never to have been included in any of the elements of the *cost base of the asset.

716-410 Rights to amounts that are expected to be included in assessable income after joining time

This section covers an asset at a time if:

- (a) the asset is a valuable right covered by subsection 701-90(1); and

Note: Such a valuable right is treated as a separate asset for the purposes of this Part (see subsection 701-90(2)).

Schedule 5 Consolidation

Part 1 Use of the tax cost setting amount

- (b) the asset is held by an entity just before the time (the *joining time*) it became a *subsidiary member of a *consolidated group; and
- (c) it is reasonable to expect that an amount attributable to the asset will be included in the assessable income of the entity or any other entity after the joining time; and
- (d) Division 230 does not apply in relation to the asset (disregarding section 230-455).

 - (c) the asset is a reset cost base asset at the joining time (within the meaning of section 705-35); and
-

- (d) in working out the asset's *tax cost setting amount, the currency exchange rate of a particular *foreign currency is taken into account in determining the *market value of the asset.

719-130	Provisions of this Part not to apply to conversion
719-135	Provisions of this Part applying to conversion despite section 719-130
719-140	Other provisions of this Part not applying to conversion

719-120 Application

- (1) This Subdivision applies if, at a particular time (the *conversion time*):
 - (a) a *consolidated group (the *new group*) is *created from a *MEC group (the *old group*); or
 - (b) a MEC group (the *new group*) is created from a consolidated group (the *old group*).
- (2) However, sections 719-130 and 719-135 apply only in relation to entities that:
 - (a) were *members of the old group just before the conversion time; and
 - (b) are members of the new group at that time.

719-125 Head company of new group retains history of head company of old group

- (1) Everything that happened in relation to the *head company of the old group before the conversion time is taken instead to have happened in relation to:
 - (a) if the head company of the old group is the same entity as the head company of the new group—that entity in its role as head company of the new group; or
 - (b) otherwise—the head company of the new group (just as if the head company of the new group had been the head company of the old group at all times before the conversion time).
- (2) To avoid doubt, subsection (1) also covers everything that, immediately before the conversion time, was taken to have

happened in relation to the *head company of the old group because of:

- (a) section 701-1 (the single entity rule); or
 - (b) section 701-5 (the entry history rule); or
 - (c) section 703-75 (about the effects of choice to continue *consolidated group after shelf company becomes new head company); or
 - (d) section 719-90 (about the effects of a change of head company of a *MEC group); or
 - (e) one or more previous applications of this Division.
- (3) Subsections (1) and (2) have effect:
- (a) for the *head company core purposes in relation to an income year ending after the conversion time; and
 - (b) for the entity core purposes in relation to an income year ending after the conversion time; and
 - (c) for the purposes of determining the balance of the *franking account of the head company of the new group at and after the conversion time.
- (4) Subsections (1) and (2) have effect subject to:
- (a) section 701-40 (Exit history rule); and
 - (b) a provision of this Act to which section 701-40 is subject because of section 701-85 (about exceptions to the core rules in Division 701).

Note: An example of provisions covered by paragraph (b) of this subsection is Subdivision 717-E (about transferring to a company leaving a consolidated group various surpluses under the CFC rules in Part X of the *Income Tax Assessment Act 1936*).

719-130 Provisions of this Part not to apply to conversion

- (1) A provision mentioned in subsection (5) that applies on an entity becoming a *member of a *consolidated group or *MEC group does *not* apply to an entity becoming such a member because of a situation described in subsection 719-120(1), unless the provision is expressed to apply despite this subsection.

Note 1: An example of the effect of this subsection is that section 701-5 (entry history rule) does not apply. See instead section 719-125.

Note 2: Further examples of the effect of this subsection are that Division 705 (cost setting on entry) and Division 707 (losses) do not apply.

- (2) Subsection (1) does not affect the application of subsection 701-1(1) (the single entity rule).
- (3) A provision mentioned in subsection (5) that applies on an entity ceasing to be a *member of a *consolidated group or *MEC group does *not* apply to an entity ceasing being such a member because of a situation described in subsection 719-120(1), unless the provision is expressed to apply despite this subsection.

Note 1: An example of the effect of this subsection is that section 701-40 (Exit history rule) does not apply. See instead section 719-125.

Note 2: Another example of the effect of this subsection is that Division 711 (cost setting on exit) does not apply.

- (4) Subsection (3) does not apply if:
 - (a) the old group mentioned in subsection 719-120(1) is a *consolidated group; and
 - (b) the new group mentioned in subsection 719-120(1) is a *MEC group; and
 - (c) the entity ceasing to be a *member of the old group becomes an *eligible tier-1 company in respect of the new group.
- (5) The provisions are as follows:
 - (a) Subdivision 104-L;
 - (b) section 165-212E;
 - (c) this Part (other than this Subdivision);
 - (d) Part 3-90 of the *Income Tax (Transitional Provisions) Act 1997*.

719-135 Provisions of this Part applying to conversion despite section 719-130

- (1) This section applies despite subsections 719-130(1) and (3).
- (2) If the new group is a *consolidated group, the following provisions may apply on an entity ceasing to be a *member of the old group:
 - (a) Subdivision 719-K;
 - (b) any other provision of this Part, to the extent that the application of the provision is necessary for the application of Subdivision 719-K.

719-140 Other provisions of this Part not applying to conversion

If the new group is a *consolidated group, the following provisions do not apply merely because the old group ceases to exist at the conversion time (or merely because the *potential MEC group of which the old group consisted ceases to exist at that time):

- (a) section 719-280;
- (b) section 719-465;
- (c) section 719-705;
- (d) section 719-725;
- (e) any other provision of this Part, to the extent that the application of the provision is necessary for the application of any of those sections.

- (ba) in relation to a *MEC group—has the meaning given by section 719-25; and

17 Application provision

- (1) The amendments made by this Part apply in relation to the creation of a MEC group from a consolidated group, or a consolidated group from a MEC group, on or after:
 - (a) if the head company of the group makes a choice in accordance with subitems (2) and (3)—1 July 2002; or
 - (b) otherwise—27 October 2006.
- (2) A choice mentioned in paragraph (1)(a) must be made:
 - (a) on or before 30 June 2011; or
 - (b) within a further time allowed by the Commissioner.
- (3) A choice mentioned in paragraph (1)(a) must be made in writing.
- (4) Despite subitem (1), the amendment made by item 13 of this Schedule applies on and after 1 July 2002.

705-125 Pre-CGT proportion for joining entity

19 Subsection 705-125(1)

- (a) working out the proportion (measured by market value) of the membership interests in the joining entity that have pre-CGT status; and
- (b) if the joining entity later ceases being a member of the group, attaching pre-CGT status to that proportion of membership interests in it (see section 711-65), subject to integrity rules (see section 711-70).”.

20 Subsections 705-125(2) and (3)

Repeal the subsections, substitute:

How to work out pre-CGT proportion

- (2) The *pre-CGT proportion* is the amount worked out by dividing:

 - (i) held by a *member of the group at the joining time; and
 - (ii) is a *pre-CGT asset;by:
 - (b) the sum of the market value of each membership interest in the joining entity that is held by a member of the group at the joining time.

(1) This section applies unless:

- (a) Subdivision 705-C (about one group joining another consolidated group) applies in relation to the old group; and
- (b) the leaving entity is a *subsidiary member of the old group.

(1A) To avoid doubt, this section applies regardless of whether the leaving entity ceases to be a *subsidiary member of the old group at the leaving time because another entity also ceases to be a subsidiary member of the old group at the leaving time.

27 Subsection 711-65(2) (note)

Repeal the note.

28 Subsection 711-65(4) (definition of *leaving entity’s pre-CGT proportion*)

711-70 Additional integrity rule if membership interests treated as having been acquired before 20 September 1985 under section 711-65—application of Division 149 to head company

- (1) This section applies if:
 - (a) the leaving entity held assets at the time it became a *subsidiary member of the old group (disregarding subsection 701-1(1) (the single entity rule)); and
 - (b) some or all of the assets:
 - (i) stopped being *pre-CGT assets under Division 149 at a time (the *Division 149 time*) when the *head company of the group held them under subsection 701-1(1) (the single entity rule); or
 - (ii) would have stopped being pre-CGT assets under Division 149 at a time (also the *Division 149 time*) when the head company of the group held them under subsection 701-1(1) (the single entity rule) if they had been pre-CGT assets just before that time; and
 - (c) the leaving entity was a subsidiary member of the group at that time.
- (2) The *pre-CGT proportion of the leaving entity at the leaving time is taken to be nil.
- (3) Adjust the old group's *allocable cost amount for the leaving entity as follows:
 - (a) if the amount under subsection (4) exceeds the amount under subsection (6)—increase the allocable cost amount by the excess;
 - (b) if the amount under subsection (4) falls short of the amount under subsection (6)—reduce the allocable cost amount by the shortfall.
- (4) Subject to subsection (5), the amount under this subsection is:

- (a) if Subdivision 705-A applied in relation to the leaving entity at the time it became a *subsidiary member of the old group—the total of the amounts that were taken into account under subsection 705-65(1) for *membership interests in the leaving entity at that time; or
 - (b) otherwise—assuming that Subdivision 705-A had applied in relation to the leaving entity at the time it became a subsidiary member of the old group, the total of the amounts that would have been taken into account under subsection 705-65(1) for membership interests in the leaving entity at that time.
- (5) For the purposes of subsection (4), if a *membership interest in the leaving entity was covered under paragraph 705-125(2)(a) (pre-CGT interests) when it became a *subsidiary member of the old group, treat the amount that was taken into account for the membership interest under subsection 705-65(1) as the interest's *market value just after the Division 149 time.
- (6) The amount under this subsection is the old group's *allocable cost amount for the leaving entity, worked out on the assumption that the leaving entity ceased to be a *subsidiary member of the old group just after the Division 149 time.

711-75 Additional integrity rule if membership interests treated as having been acquired before 20 September 1985 under section 711-65—application of CGT event K6

- (1) This section applies if the leaving entity ceases to be a *subsidiary member of the old group because of a situation giving rise to *CGT event A1, C2, E1, E2 or E8 in relation to one or more *membership interests in the leaving entity.
- (2) For the purposes of applying subsections 104-230(2) and (8) in relation to those *membership interests:
 - (a) disregard subsection 701-1(1) (the single entity rule) in working out the *net value of the leaving entity; and
 - (b) treat the reference in subsection 104-230(2) to “Just before the other event happened” as a reference to “Just before the leaving time”.

Note 1: The single entity rule will continue to apply in determining whether the property mentioned in subsection 104-230(2) for the leaving entity was acquired on or after 20 September 1985.

Note 2: However, in a case of multiple exit from a consolidated group (see section 711-55), the property mentioned in subsection 104-230(2) for the leaving entity may include membership interests in another entity leaving the group at the leaving time. To determine which of those membership interests were acquired on or after 20 September 1985 for the purposes of applying subsection 104-230(2) to the leaving entity, see section 711-65.

- (3) In determining the sum of the *cost bases of the property mentioned in subsection 104-230(6), treat the cost base of an asset that is included in that property as:
- (a) if the asset has its *tax cost set at the leaving time under section 701-50—its *tax cost setting amount; or
 - (b) if the *terminating value of the asset is taken into account in working out the step 1 amount under section 711-25 for the leaving entity—that terminating value; or
 - (c) if the asset is taken into account in working out the step 3 amount under section 711-40 for the leaving entity—the value of the asset that is so taken into account.

35 Application provision

- (1) The amendments made by this Part apply in relation to an entity that becomes a subsidiary member of a consolidated group or MEC group on or after:

 - (b) otherwise—the day on which the Bill that became this Act was introduced into the House of Representatives.

Insert:

705-62 No double counting of amounts in allocable cost amount

- (2) Subsection (3) applies if, apart from this section, 2 or more provisions of this Act operate with the result of altering:
 - (a) the *allocable cost amount for the joining entity; or
 - (b) the allocable cost amount for another entity that becomes a *subsidiary member of the group at the joining time; because of a particular economic attribute of the joining entity (see subsection (6)).
- (3) Only one of those alterations is to be made, as follows:
 - (a) if the *head company of the group makes a choice in accordance with subsections (4) and (5)—the alteration specified in the choice is to be made;

- (4) A choice mentioned in paragraph (3)(a) must be made:

342-1 What this Division is about

To facilitate the starting, conduct and ending of proceedings under the <i>Proceeds of Crime Act 2002</i> , the Commissioner may waive the right to payment of certain tax-related liabilities.

Subdivision 342-A—Power to waive right to payment of tax-related liabilities

Table of sections

342-5 Object of this Subdivision

342-10 Power to waive right to payment of tax-related liability

342-5 Object of this Subdivision

The object of this Subdivision is to facilitate the starting, conduct and ending of proceedings under the *Proceeds of Crime Act 2002* by allowing the Commissioner to waive the right to payment of certain liabilities to the Commonwealth arising under *taxation laws.

Note: The Commissioner may also exercise other powers so as to facilitate the starting, conduct and ending of proceedings under the *Proceeds of Crime Act 2002*. Examples of those other powers include:

- (a) the power under section 255-10 to defer the time a tax-related liability is due and payable; and
- (b) the power under section 8AAG to remit general interest charge.

342-10 Power to waive right to payment of tax-related liability

- (1) The Commissioner may waive the Commonwealth's right to payment of all or part of a *tax-related liability if the Commissioner is satisfied that:

- (a) the waiver will facilitate the starting, conduct or ending (by settlement or otherwise) of proceedings under the *Proceeds of Crime Act 2002*; and
- (b) the liability is connected with circumstances associated with the proceedings.

Note: The Commissioner may waive the right to payment only after the liability has arisen, but may do so whether or not the liability is due and payable.

Example: A liability is connected with circumstances associated with the proceedings if the liability arose because of activities constituting an offence to which the proceedings relate.

- (2) In deciding whether to waive the right, the Commissioner must consider:

- (a) the amount the Commonwealth will forgo as a result of the waiver and the time the Commonwealth could reasonably be expected to receive that amount apart from the waiver; and
- (b) the amount the Commonwealth could reasonably be expected to receive as a result of the proceedings and the time the Commonwealth could reasonably be expected to receive that amount.

- (3) Subsection (2) does not limit the matters that the Commissioner may consider in making the decision.

Extended operation of this section

- (4) This section (except this subsection) applies in relation to a pecuniary liability to the Commonwealth that arises directly under a *taxation law, but is not a *tax-related liability, in the same way as this section applies in relation to a tax-related liability.

Example: This section applies to a civil penalty under Division 290 (which penalises certain conduct involving promotion of schemes) in the same way as this section applies to a tax-related liability.

14 Application provision

- (1) Division 342 in Schedule 1 to the *Taxation Administration Act 1953* applies in relation to:
- (a) proceedings started, or proposed to be started, on or after the commencement of that Division; and
 - (b) proceedings started, and not ended, before that commencement.

That Division applies whether the liability was incurred before, on or after that commencement.
