#### Part 5 Dad and partner pay

---

- (ii) the day the claimant's partner (if any) began to care for the child; and
  - (e) a reference to a completed birth verification form for a child were a reference to information required by the Secretary about the earlier of:
    - (i) the claimant beginning to care for the child; and
    - (ii) the claimant's partner (if any) beginning to care for the child; and
  - (f) a reference to a child being born during the same multiple birth were a reference to:
    - (i) unless subparagraph (ii) applies—the claimant beginning to care for the child at the same time as beginning to care for another child; or
    - (ii) if the claimant's partner (if any) begins to care for the child before the claimant—the claimant's partner beginning to care for the child at the same time as beginning to care for another child.
- (3) This section does not limit Division 2 of this Part (which deals with how this Act applies to an adopted child).

Note: Not all circumstances to which paragraph 115DD(d) applies must be prescribed as being circumstances in which this section applies. For example, the adoption of a child could be prescribed for the purposes of that paragraph but not for the purposes of this section, in which case section 275 (which deals with how this Act applies to an adopted child) would apply.

### 102 Application provision

The amendment made by this Part applies to claims for dad and partner pay made on or after the commencement of this item.
