Guide to Division 291

291-1 What this Division is about

There is a cap on the amount of superannuation contributions that may receive concessional tax treatment for an individual in a financial year.

Superannuation contributions that exceed your concessional contributions cap are included in your assessable income for the corresponding income year.

A tax offset compensates for the tax that generally applies to the contributions in the superannuation fund.

Note: Part 2-35 in Schedule 1 to the *Taxation Administration Act 1953* contains rules about a charge you may be liable to pay, and about releasing the excess concessional contributions from superannuation.

Subdivision 291-A—Object of this Division

Table of sections

291-5 Object of this Division

291-5 Object of this Division

The object of this Division is to ensure, in relation to *concessional* contributions to superannuation, that the amount of concessionally taxed *superannuation benefits that an individual receives results from contributions that have been made gradually over the course of the individual's life.

Note: Division 292 has the same object, in relation to non-concessional contributions.

Subdivision 291-B—Excess concessional contributions

Guide to Subdivision 291-B

291-10 What this Subdivision is about

This Subdivision includes excess concessional contributions in your assessable income and provides a tax offset.

Operative provisions

291-15 Excess concessional contributions—assessable income, 15% tax offset
291-20 Your *excess concessional contributions* for a financial year
291-25 Your *concessional contributions* for a financial year

Operative provisions

291-15 Excess concessional contributions—assessable income, 15% tax offset

If you have *excess concessional contributions for a *financial year:

Schedule 1 Fairer taxation of excess concessional contributions
Part 1 Main amendments

- (a) an amount equal to the excess concessional contributions is included in your assessable income for your corresponding income year; and
- (b) you are entitled to a *tax offset for that income year equal to 15% of the excess concessional contributions.

Note 1: This offset cannot be refunded, transferred or carried forward: see item 20 of the table in subsection 63-10(1).

Note 2: You may be liable to pay excess concessional contributions charge: see Division 95 in Schedule 1 to the *Taxation Administration Act 1953*.

Note 3: You can elect to release excess concessional contributions from superannuation: see Division 96 in that Schedule.

291-20 Your excess concessional contributions for a financial year

- (1) You have *excess concessional contributions* for a *financial year if the amount of your *concessional contributions for the year exceeds your *concessional contributions cap for the year. The amount of the excess concessional contributions is the amount of the excess.
- (2) Your *concessional contributions cap* is:
 - (a) for the 2013-2014 financial year—\$25,000; or
 - (b) for the 2014-2015 financial year or a later financial year—the amount worked out by indexing annually the amount mentioned in paragraph (a).

Note: Subdivision 960-M shows how to index amounts. However, annual indexation does not necessarily increase the amount of the cap: see section 960-285.

291-25 Your concessional contributions for a financial year

- (1) The amount of your *concessional contributions* for a *financial year is the sum of:
 - (a) each contribution covered under subsection (2); and
 - (b) each amount covered under subsection (3).
- Note: For rules about defined benefit interests, see Subdivision 291-C.
- (2) A contribution is covered under this subsection if:
 - (a) it is made in the *financial year to a *complying superannuation plan in respect of you; and

- (b) it is included in the assessable income of the *superannuation provider in relation to the plan, or, by way of a *roll-over superannuation benefit, in the assessable income of a *complying superannuation fund or *RSA provider in the circumstances mentioned in subsection 290-170(5) (about successor funds); and
 - (c) it is *not* any of the following:
 - (i) an amount mentioned in subsection 295-200(2);
 - (ii) an amount mentioned in item 2 of the table in subsection 295-190(1);
 - (iii) a contribution made to a *constitutionally protected fund.
- (3) An amount in a *complying superannuation plan is covered under this subsection if it is allocated by the *superannuation provider in relation to the plan for you for the year in accordance with conditions specified in the regulations.
- (4) Disregard Subdivision 295-D for the purposes of paragraph (2)(b).

Subdivision 291-C—Modifications for defined benefit interests

291-155 What this Subdivision is about

This Subdivision modifies the meaning of *concessional contributions* relating to defined benefits interests.

Operative provisions

291-160	Application
291-165	Concessional contributions—special rules for defined benefit interests
291-170	<i>Notional taxed contributions</i>
291-175	<i>Defined benefit interest</i>

Operative provisions

291-160 Application

- (1) This Subdivision applies if, in a *financial year, you have:
 - (a) a *superannuation interest that is or includes a *defined benefit interest; or
 - (b) more than one superannuation interest that is or includes a defined benefit interest.
- (2) However, this Subdivision does not apply in relation to a *superannuation interest in a *constitutionally protected fund.

291-165 Concessional contributions—special rules for defined benefit interests

Despite section 291-25, the amount of your *concessional contributions* for the *financial year is the sum of:

- (a) the contributions covered by subsection 291-25(2), and the amounts covered by subsection 291-25(3), to the extent to which they do *not* relate to the *defined benefit interest or interests; and
- (b) your *notional taxed contributions for the financial year in respect of the defined benefit interest or interests.

291-170 Notional taxed contributions

- (1) Your *notional taxed contributions* for a *financial year in respect of a *defined benefit interest has the meaning given by the regulations.

Note: For transitional provisions about notional taxed contributions that were previously in former subsections 292-170(6) to (9), see Subdivision 291-C of the *Income Tax (Transitional Provisions) Act 1997*.

- (2) Regulations made for the purposes of subsection (1) may provide for a method of determining the amount of the *notional taxed contributions*.
- (3) Regulations made for the purposes of subsection (1) may define the *notional taxed contributions, and the amount of notional taxed

contributions, in different ways depending on any of the following matters:

- (a) the individual who has the *superannuation interest that is or includes the *defined benefit interest;
 - (b) the *superannuation plan in which the superannuation interest exists;
 - (c) the *superannuation provider in relation to the superannuation plan;
 - (d) any other matter.
- (4) Regulations made for the purposes of subsection (1) may specify circumstances in which the amount of *notional taxed contributions for a *financial year is nil.
- (5) Subsections (2), (3) and (4) do not limit the regulations that may be made for the purposes of this section.

291-175 *Defined benefit interest*

- (1) An individual's *superannuation interest is a ***defined benefit interest*** to the extent that it defines the individual's entitlement to *superannuation benefits payable from the interest by reference to one or more of the following matters:
- (a) the individual's salary, or allowance in the nature of salary, at a particular date or averaged over a period;
 - (b) another individual's salary, or allowance in the nature of salary, at a particular date or averaged over a period;
 - (c) a specified amount;
 - (d) specified conversion factors.
- (2) However, an individual's *superannuation interest is *not* a ***defined benefit interest*** if it defines that entitlement solely by reference to one or more of the following:
- (a) *disability superannuation benefits;
 - (b) *superannuation death benefits;
 - (c) payments of amounts mentioned in paragraph 307-10(a) (temporary disability payments).

Subdivision 291-D—Other provisions

Guide to Subdivision 291-D

291-460 What this Subdivision is about

The Commissioner has a discretion to disregard concessional contributions or allocate them to a different financial year.

Table of sections

Operative provisions

291-465 Commissioner's discretion to disregard contributions etc. in relation to a financial year

Operative provisions

291-465 Commissioner's discretion to disregard contributions etc. in relation to a financial year

- (1) The Commissioner may make a written determination that, for the purposes of working out the amount of your *excess concessional contributions for a *financial year, all or part of your *concessional contributions for a financial year is to be:
 - (a) disregarded; or
 - (b) allocated instead for the purposes of another financial year specified in the determination.

Conditions for making of determination

- (2) The Commissioner may make the determination only if:
 - (a) you apply for the determination in accordance with this section; and
 - (b) the Commissioner considers that:
 - (i) there are special circumstances; and
 - (ii) making the determination is consistent with the object of this Division and Division 292.

Matters to which regard may be had

- (3) In making the determination the Commissioner may have regard to the following:
- (a) whether a contribution made in the relevant *financial year would more appropriately be allocated towards another financial year instead;
 - (b) whether it was reasonably foreseeable, when a relevant contribution was made, that you would have *excess concessional contributions or *excess non-concessional contributions for the relevant financial year, and in particular:
 - (i) if the relevant contribution is made in respect of you by another individual—the terms of any agreement or arrangement between you and that individual as to the amount and timing of the contribution; and
 - (ii) the extent to which you had control over the making of the contribution;
 - (c) any other relevant matters.

Requirements for application

- (4) The application:
- (a) must be in the *approved form; and
 - (b) can only be made after all of the contributions sought to be disregarded or reallocated have been made; and
 - (c) if you receive an *excess concessional contributions determination for the *financial year—must be given to the Commissioner within:
 - (i) 60 days after receiving the determination; or
 - (ii) a further period allowed by the Commissioner.

Notification

- (5) The Commissioner must give you:
- (a) a copy of the determination; or
 - (b) if the Commissioner decides not to make a determination—notice of that decision.
- (6) The determination or notice may be included in any other notice under this Act.

Review

- (7) If you are dissatisfied with:
- (a) a determination made under this section in relation to you; or
 - (b) a decision the Commissioner makes not to make such a determination;
- you may object against the determination, or the decision, as the case requires, in the manner set out in Part IVC of the *Taxation Administration Act 1953*.
- (8) To avoid doubt:
- (a) subject to subsection 14ZVB(3) of the *Taxation Administration Act 1953*, you may also object, on the ground that you are dissatisfied with such a determination or decision, relating to all or part of your *concessional contributions for a *financial year:
 - (i) under section 175A of the *Income Tax Assessment Act 1936* against an assessment made in relation to you for the corresponding income year; or
 - (ii) under section 97-10 in Schedule 1 to the *Taxation Administration Act 1953* against an *excess concessional contributions determination made in relation to you for the financial year; and
 - (b) for the purposes of paragraph (e) of Schedule 1 to the *Administrative Decisions (Judicial Review) Act 1977*, the making of a determination under this section is a decision forming part of the process of making an assessment of tax, and making a calculation of charge, under this Act.

Table of Subdivisions

- Guide to Division 95
- 95-A Object of Division
- 95-B Excess concessional contributions charge

Guide to Division 95

95-1 What this Division is about

You are liable to pay a charge on the income tax you pay on excess concessional contributions.

The charge is applied at a uniform rate that is the same as the shortfall interest charge.

The period for the excess concessional contributions charge starts at the start of the income year and ends just before tax is due to be paid under your first assessment for the year.

Subdivision 95-A—Object of Division

Table of sections

- 95-5 Object of Division

95-5 Object of Division

The object of this Division is to neutralise benefits that taxpayers could otherwise receive from *excess concessional contributions, so that they do not receive an advantage in the form of:

- (a) the later time at which *tax is collected, as compared to tax that is collected through the Pay as you go system; and
- (b) the earnings on the contributions, which receive a concessional tax rate and remain in superannuation even if the contributions are released under Division 96.

Subdivision 95-B—Excess concessional contributions charge

Table of sections

Schedule 1 Fairer taxation of excess concessional contributions
Part 1 Main amendments

95-10	Liability to excess concessional contributions charge
95-15	Amount of excess concessional contributions charge
95-20	When excess concessional contributions charge is due and payable
95-25	General interest charge

95-10 Liability to excess concessional contributions charge

(1) If:

- (a) you have *excess concessional contributions for a *financial year; and
- (b) you are liable to pay an amount of *tax (your *actual tax*) for the corresponding income year; and
- (c) your actual tax exceeds the amount of tax you would be liable to pay for the income year if the excess concessional contributions were disregarded;

the excess is an amount of tax on which you are liable to pay ***excess concessional contributions charge***.

Note 1: Excess concessional contributions are included in assessable income and give rise to a tax offset: see section 291-15 of the *Income Tax Assessment Act 1997*.

Note 2: In this Act, *tax* is an assessed amount: see subsection 995-1(1) of the *Income Tax Assessment Act 1997*.

- (2) If you would not be liable to pay *tax for the income year if the *excess concessional contributions were disregarded, apply paragraph (1)(c) as if you would be liable to pay a nil amount of tax.

Period for which the charge is payable

- (3) The liability is for each day in the period:
- (a) beginning on the first day of the income year; and
 - (b) ending on the day before the day on which *tax under your first notice of assessment for that income year is due to be paid, or would be due to be paid if there were any.

95-15 Amount of excess concessional contributions charge

The *excess concessional contributions charge for a day is worked out by multiplying the rate worked out under section 4 of the *Superannuation (Excess Concessional Contributions Charge) Act 2013* for that day by the sum of the following amounts:

- (a) the amount of *tax on which you are liable to pay the charge;
- (b) the excess concessional contributions charge on that amount from previous days.

95-20 When excess concessional contributions charge is due and payable

- (1) The *excess concessional contributions charge you are liable to pay for an income year is due and payable on the day on which *tax is due to be paid under your first notice of assessment for that income year that includes an amount of tax on which you are liable to pay the charge.

Note: For when income tax is due and payable, see section 5-5 of the *Income Tax Assessment Act 1997*.

Determination required

- (2) An amount of *excess concessional contributions charge is only due and payable if the Commissioner gives you an *excess concessional contributions determination stating the amount of the charge (although it may be taken by subsection (1) to have been due and payable at a time before the determination was made).

Note: For excess concessional contributions determinations, see Division 97.

Amended determinations

- (3) However, if the Commissioner amends your *excess concessional contributions determination, any extra charge resulting from the amendment is due and payable 21 days after the Commissioner gives you notice of the amended determination.

95-25 General interest charge

If an amount of *excess concessional contributions charge or *shortfall interest charge on excess concessional contributions charge that you are liable to pay remains unpaid after the time by which it is due to be paid, you are liable to pay the *general interest charge on the unpaid amount for each day in the period that:

- (a) begins on the day on which the amount was due to be paid;
- and

- (b) ends on the last day on which, at the end of the day, any of the following remains unpaid:
- (i) the excess concessional contributions charge or shortfall interest charge;
 - (ii) the general interest charge on any of the excess concessional contributions charge or shortfall interest charge.

Note 1: The general interest charge is worked out under Part IIA.

Note 2: Shortfall interest charge is worked out under Division 280 in this Schedule.

Note 3: See section 5-10 of the *Income Tax Assessment Act 1997* for when the amount of shortfall interest charge becomes due and payable.
