##### *Limit on amending assessments*

- (1) The Commissioner cannot amend an assessment of a taxpayer about a particular in a way that would produce a less favourable result for the taxpayer if:
  - (a) the taxpayer has anticipated amendments (see subsection (3)); and
  - (b) in making the assessment, the particular was ascertained on the basis of the taxpayer's anticipated amendments having been made; and
  - (c) that way of amending the assessment would instead ascertain the particular on the basis of the anticipated amendments *not* having been made.

##### *Anticipation not to give rise to administrative overpayment*

- (2) If ascertaining that particular on the basis of the taxpayer's anticipated amendments *not* having been made:
  - (a) would not result in an amendment of the assessment; but
  - (b) would, apart from this subsection, result in an amount the Commissioner paid to the taxpayer on the basis of the

assessment being an administrative overpayment (within the meaning of section 8AAZN of the *Taxation Administration Act 1953*);

the amount of the administrative overpayment is taken, for the purposes of the taxation law, to be an amount to which the taxpayer is entitled.

*Meaning of anticipated amendments*

- (3) One or more hypothetical amendments of the taxation law, taken together, are **anticipated amendments** a taxpayer has if:
- (a) the amendments, if made, would reasonably reflect an announcement mentioned in the table in subsection (8); and
  - (b) a statement made by or on behalf of the taxpayer:
    - (i) is consistent with the amendments having been made; and
    - (ii) is made in good faith; and
    - (iii) meets the timing requirement in column 2 of an applicable item of the following table.

<b>Timing requirements for statements</b>		
<b>Item</b>	<b>Column 1 In this case:</b>	<b>Column 2 The timing requirement is:</b>
1	The statement is made in a return lodged on or before 14 December 2013	The return: <ol style="list-style-type: none"> <li>(a) is lodged in the period that the announcement is on foot (see subsection (8)); and</li> <li>(b) was not required to be lodged before the start of that period.</li> </ol>
2	The statement is made otherwise than in a return	The statement is made in the period that the announcement is on foot.
3	All of the following apply: <ol style="list-style-type: none"> <li>(a) the statement is made in a return of the taxpayer lodged after 14 December 2013;</li> <li>(b) the return was not required to be lodged on or before that date;</li> <li>(c) just before the statement is made,</li> </ol>	The statement relates to the application of the taxation law (as hypothetically amended by the amendments) to events or circumstances: <ol style="list-style-type: none"> <li>(a) that happened or existed on or before 14 December 2013; or</li> </ol>

**Schedule 2** Protection for anticipation of certain discontinued announcements

---

---

**Timing requirements for statements**

<b>Item</b>	<b>Column 1 In this case:</b>	<b>Column 2 The timing requirement is:</b>
	no return has been given, and no assessment has been made, in relation to the taxpayer in respect of the year of income to which the statement relates	(b) to the happening or existence of which the taxpayer had definitively committed on or before 14 December 2013.

- (4) In determining, for the purpose of paragraph (3)(a), whether amendments would reasonably reflect an announcement, have regard to the following:
- (a) the terms of the announcement;
  - (b) any related document published after the announcement on behalf of the Commonwealth Government, the Department of the Treasury or the Commissioner;
  - (c) if the announcement proposes to apply to a particular kind of scheme or practice—that kind of scheme or practice;
  - (d) existing provisions of the taxation law, if:
    - (i) the announcement proposes to effect a particular result in relation to the operation of the taxation law; and
    - (ii) those existing provisions effect that result, or a substantially similar result, in relation to another matter;
  - (e) any other relevant matter.

*Operation of section*

- (5) Subsections (1) and (2) apply despite any other provision of the taxation law, apart from subsections (6) and (7), (which are about exceptions).

*Exceptions*

- (6) Subsection (1) does not prevent an amendment if:
- (a) the taxpayer applies for the amendment; or
  - (b) the Commissioner may make the amendment in accordance with item 6 (objection, review or appeal) of the table in subsection 170(1).

- (7) Subsections (1) and (2) do not apply in relation to a particular ascertained on the basis of a taxpayer’s anticipated amendments, in any year of income, if:
- (a) the taxpayer makes a statement (in a return of income or otherwise) for a later year of income that is not consistent with the taxpayer’s anticipated amendments; and
  - (b) if the assessment for the later year of income was to be made on the basis of the taxpayer’s anticipated amendments, instead of on the basis of the statement, the result would be less favourable to the taxpayer in that year of income.

Note: An amendment of an assessment can be made at any time to give effect to this subsection (see item 27A of the table in subsection 170(10)).

### **Part 1—Main amendments**

#### *Income Tax Assessment Act 1997*

##### **1 After paragraph 207-145(1)(d)**

Insert:

- (da) the distribution is one to which section 207-157 (which is about distribution washing) applies;

##### **2 After paragraph 207-150(1)(e)**

Insert:

- (ea) the distribution is one to which section 207-157 (which is about distribution washing) applies;

##### **3 After section 207-155**

Insert:

#### **207-157 Distribution washing**

- (1) This section applies to a \*franked distribution received by a \*member of a \*corporate tax entity on a \*membership interest (the *washed interest*) if:
  - (a) the washed interest was acquired after the member, or a \*connected entity of the member, disposed of a substantially identical membership interest; and
  - (b) a corresponding franked distribution is made to the member, or the connected entity, on the substantially identical interest.

#### *Further requirement for connected entities*

- (2) However, if the entity that disposed of the substantially identical interest was a \*connected entity of the member, this section does not apply to the \*franked distribution unless:
  - (a) it would be concluded that the disposal took place wholly or partly because there was an expectation that the acquisition would, or would be likely to, take place; or

- (b) it would be concluded that the acquisition took place wholly or partly because there was a belief that the disposal had taken place.

*Substantially identical interests*

- (3) Without limiting paragraph (1)(a), for the purpose of that paragraph a \*membership interest is substantially identical to the washed interest if it is any one or more of the following:
  - (a) fungible with, or economically equivalent to, the washed interest;
  - (b) a membership interest in the same \*corporate tax entity as the washed interest and of a class that is the same as, or not materially different from, the washed interest;
  - (c) a membership interest in the same corporate tax entity as the washed interest and of a class that is exchangeable at a fixed rate for an interest of the same class as the washed interest;
  - (d) a membership interest in another corporate tax entity that holds predominantly membership interests that are covered by any of the preceding paragraphs;
  - (e) a membership interest in another corporate tax entity that is exchangeable at a fixed rate for interests that are covered by any one or more of paragraphs (a) to (c).

*Exception for individuals who are small holders*

- (4) Despite subsection (1), this section does not apply to a \*franked distribution made to an individual in an income year if the sum of the \*tax offsets to which the individual would be entitled, worked out on the basis mentioned in subsection (5), is \$5000 or less.
- (5) Work out the sum of the \*tax offsets:
  - (a) disregarding this Subdivision, to the extent it applies to the individual; and
  - (b) not disregarding this Subdivision, to the extent it applies to any other entity through which a \*franked distribution \*flows indirectly to the individual.

#### **4 Application**

The amendments made by this Part apply to distributions made on or after 1 July 2013.
