### **Division 1—Introduction**

#### **738A Object**

The object of this Part is to provide a disclosure regime that can be used for certain offers of securities for issue in small unlisted companies, instead of complying with the requirements of Part 6D.2.

#### **738B Meaning of *CSF offer***

A *CSF offer* is an offer that is:

- (a) eligible to be made under this Part (see Division 2); and
- (b) expressed to be made under this Part.

#### **738C Meaning of *CSF intermediary***

A *CSF intermediary* is a financial services licensee whose licence expressly authorises the licensee to provide a crowd funding service.

Note 1: Section 766F defines when a person provides a *crowd-funding service*.

Note 2: Because a CSF intermediary is a financial services licensee, the intermediary must (in addition to complying with this Part) comply with the provisions of Chapter 7 that apply to financial services licensees.

#### **738D Meaning of *retail client* in relation to a CSF offer**

If a person (not being the company making the CSF offer) is a retail client for the purposes of Chapter 7 in relation to the

provision of a crowd-funding service that relates to a particular CSF offer, then, for the purposes of this Part, the person is a *retail client* in relation to that CSF offer.

**738E Offer of the securities may also be made in reliance on section 708**

The fact that a company makes a CSF offer of securities does not prevent the company from also making an offer, in reliance on a provision of section 708, of securities that are of the same class as those offered under the CSF offer.

**738F Application of provisions of Chapter 7 relating to how obligations etc. apply to different kinds of persons**

- (1) Subject to subsections (2) and (3), the following provisions of Chapter 7 (the *applied provisions*) have effect for the purposes of this Part as if references in the provisions to that Chapter were instead references to this Part:
  - (a) section 761F (meaning of person—generally includes a partnership);
  - (b) section 761FA (meaning of person—generally includes multiple trustees);
  - (c) section 769B (people are generally responsible for the conduct of agents, employees etc.).
- (2) Subsection (1) does not apply to provisions of the sections mentioned in subsection (1) that are expressed to relate only to specific provisions of Chapter 7 or to specific Parts, Divisions or Subdivisions of Chapter 7.
- (3) The regulations may provide that one or more of the applied provisions have effect for specified purposes subject to modifications specified in the regulations. The regulations have effect accordingly.

## **Division 2—Offers that are eligible to be made under this Part**

### **738G Offers that are eligible to be made under this Part**

- (1) An offer is eligible to be made under this Part if:
  - (a) it is an offer by a company for the issue of securities of the company; and

  - (c) the securities are of a class specified in the regulations; and
  - (d) the offer complies with the issuer cap (see subsection (2) of this section); and

  - (f) any other requirements specified in the regulations are satisfied in relation to the securities or the offer.

Note: If an offer of securities is expressed to be made under this Part but is not eligible to be made under this Part, ASIC may make a stop order under section 739.

#### *The issuer cap*

- (2) For the purpose of this section, an offer of securities for issue in a company (the ***new offer***) complies with the issuer cap if the total of:
  - (a) the maximum amount sought to be raised by the new offer; and
  - (b) all amounts raised, in the period of 12 months before the time when the new offer is made, pursuant to CSF offers that were made in that period by the company or by related parties of the company; and
  - (c) all amounts raised, in the period of 12 months before the time when the new offer is made, pursuant to offers made by the company, or by related parties of the company, that did not need disclosure because of subsection 708(1) or (10);does not exceed:
  - (d) \$5 million; or

- (e) if the regulations prescribe a different amount—the prescribed amount.

Note: Amounts raised by CSF offers that were made before the start of the 12 month period referred to in paragraph (2)(b) are not to be counted. For when a CSF offer is *made*, see subsection 738N(1).

*Meaning of related party*

- (3) For the purposes of this Part, each of the following is a *related party* of a company:
  - (a) a related body corporate of the company;
  - (b) an entity controlled by:
    - (i) a person who controls the company; or
    - (ii) an associate of that person.

**738H Meaning of *eligible CSF company***

- (1) A company is an *eligible CSF company* at a particular time (the *test time*) if all of the following conditions are satisfied in relation to the company at the test time:
  - (a) the company is a public company limited by shares;
  - (b) the company's principal place of business is in Australia;
  - (c) a majority of the company's directors (not counting alternate directors) ordinarily reside in Australia;

  - (e) neither the company, nor any related party of the company, is a listed corporation;
  - (f) neither the company, nor any related party of the company, has a substantial purpose of investing in securities or interests in other entities or schemes.

*The assets and turnover test*

- (2) The company complies with the assets and turnover test at the test time if:
  - (a) the value of the consolidated gross assets of the company, and of all its related parties is less than:
    - (i) \$25 million; or

- (ii) if the regulations prescribe a different amount—the prescribed amount; and
- (b) the consolidated annual revenue of the company, and of all its related parties, is less than:
  - (i) \$25 million; or
  - (ii) if the regulations prescribe a different amount—the prescribed amount.

### **Division 3—Making offers under this Part**

- (1) A document (a *CSF offer document*) must be prepared for a CSF offer.
- (2) A CSF offer document for a CSF offer must contain the information required by the regulations. The document may also set out the CSF offer.

Note: See also subsections 738W(8) and (9) about the effect of supplementary or replacement CSF offer documents.

#### **738K Other requirements for CSF offer document**

The information in a CSF offer document must be worded and presented in a clear, concise and effective manner. The document must also comply with any other requirements prescribed by the regulations.

Note 1: If this section is contravened, ASIC may make a stop order under section 739.

Note 2: See also subsections 738W(8) and (9) about the effect of supplementary or replacement CSF offer documents.

#### **738L CSF offer document to be published on platform of a single CSF intermediary**

- (1) A CSF offer of a company's securities must be made by publishing, on a platform of a single CSF intermediary, a CSF offer document that complies with section 738J. If the CSF offer document does not set out the CSF offer, the CSF offer must be published together with the offer document.

- (3) Subject to subsections (4) and (5), the responsible intermediary for a CSF offer may close the offer at any time by giving notice on the offer platform that the offer is closed. If the intermediary does so, the offer is **closed** from the time when notice is so given on the offer platform.

Note: See also section 738P (which deals with removal of a CSF offer document from the offer platform) and section 738ZB (which deals with the responsible intermediary's obligations in relation to application money).

- (4) The responsible intermediary for a CSF offer must close the offer as soon as practicable after the first of the following occurs:
- (a) the period of 3 months starting from when the offer was made ends;
  - (b) if the CSF offer document specifies a period during which the offer is to be open, or a date after which the offer is no longer to be open—that period ends or that date occurs;

*CSF intermediary to conduct checks before publishing CSF offer document*

- (1) A CSF intermediary must not publish a CSF offer document (or a document that purports to be a CSF offer document) on a platform of the intermediary unless the intermediary has, before starting to publish the document, conducted the checks prescribed by the regulations to a reasonable standard.

- (2) For the purposes of this section, the regulations may prescribe what constitutes a reasonable standard in relation to all or any of the checks.
- (3) An offence based on subsection (1) is an offence of strict liability.
- (4) For the purpose of a provision of this Part that refers to a matter that a CSF intermediary knows, has reason to believe or is satisfied or not satisfied, if:
- (a) a CSF intermediary contravenes subsection (1) by not conducting a check (or by not conducting a check to a reasonable standard); and
  - (b) had the intermediary conducted the check (or conducted it to a reasonable standard), the intermediary would have known or had reason to believe the matter, or would have been satisfied or not satisfied in relation to the matter;
- then the matter is taken to be one that the intermediary knows or has reason to believe, or in relation to which the intermediary is satisfied or not satisfied (as the case requires).

*CSF intermediary not to publish CSF offer document if not satisfied of certain matters etc.*

- (5) A CSF intermediary must not publish a CSF offer document (or a document that purports to be a CSF offer document) on a platform of the intermediary, or continue to publish such a document while the offer is open, if:

Note 1: The CSF intermediary must close the offer (see paragraph 738N(4)(e)).

Note 2: The question whether a CSF intermediary is not satisfied in relation to a matter, or has reason to believe a matter, is affected by subsection (4) of this section.

- (6) In the case of a CSF offer document that has already started to be published on a platform of a CSF intermediary, paragraph (5)(c) does not apply in relation to there being a misleading or deceptive statement, an omission, or a new circumstance, that renders the document defective (as defined in section 738U).

**738T Withdrawal of applications made pursuant to CSF offer**

A person who has made an application pursuant to a CSF offer may withdraw the application:

- (a) as permitted by section 738X (responsible intermediary's obligations on becoming aware that CSF offer document is defective) or 738ZD (cooling-off rights for retail clients); or
- (b) in any other circumstances allowed by the responsible intermediary, and in accordance with any requirements of the intermediary for withdrawal in those circumstances.

Note: If an applicant withdraws their application, the responsible intermediary must return the application money (see section 738ZB).

## **Division 4—Defective etc. CSF offer documents**

### **738U When a CSF offer document is *defective***

- (1) A CSF offer document is *defective* if:
  - (a) the CSF offer document contains a misleading or deceptive statement; or
  - (b) there is an omission from the CSF offer document of information required by section 738J; or
  - (c) since the document was first published on a platform of a CSF intermediary, a new circumstance has arisen that would have been required by section 738J to be included in the document if it had arisen before the document was so published.
- (2) For the purposes of this section, a person is taken to make a misleading statement about a future matter (including the doing of, or refusing to do, an act) if the person does not have reasonable grounds for making the statement. This subsection does not limit the meaning of a reference to a misleading statement.

### **738V Obligation to notify company making offer, and responsible intermediary, if CSF offer document is defective**

- (1) If, while a CSF offer is open, the company making the offer becomes aware that the CSF offer document is defective, the company must notify the responsible intermediary as soon as practicable.

Note: Failure to comply with this subsection is an offence (see subsection 1311(1)).
- (2) If, while a CSF offer is open, the responsible intermediary becomes aware that the CSF offer document is defective, the intermediary must notify the company making the offer as soon as practicable.

Note: Failure to comply with this subsection is an offence (see subsection 1311(1)).
- (3) If, while a CSF offer is open, any other person referred to in the table in subsection 738Y(5) becomes aware that the CSF offer document is defective, the person must notify the company making the offer, and the responsible intermediary, as soon as practicable.

Note: Failure to comply with this subsection is an offence (see subsection 1311(1)).

- (4) An offence based on subsection (1), (2) or (3) is an offence of strict liability.

**738W Company may provide replacement or supplementary CSF document in certain circumstances**

*When company may provide a replacement or supplementary CSF offer document*

- (1) The company making a CSF offer may provide the responsible intermediary with a supplementary CSF offer document, or a replacement CSF offer document, to supplement or replace the CSF offer document (the ***affected offer document***) as provided for in the following paragraphs:
- (a) if the company becomes aware that the affected offer document is defective, the company may provide a supplementary CSF offer document, or a replacement CSF offer document, that corrects the defect;
  - (b) if the company becomes aware that the affected offer document does not comply with section 738K (other requirements for CSF offer documents), the company may provide a supplementary CSF offer document, or a replacement CSF offer document, that corrects the non-compliance;
  - (c) the company may provide a supplementary CSF offer document, or a replacement CSF offer document, in any other circumstances permitted by the regulations, and in accordance with any conditions prescribed by those regulations.

Note 1: Defective CSF offer documents give rise to liabilities under section 738Y.

Note 2: Regulations for the purpose of paragraph (c) may (for example) limit the kinds of changes that may be incorporated into a supplementary or replacement CSF offer document provided under that paragraph.

Note 3: This section applies to a CSF offer document that has already been previously supplemented or replaced.

- (2) A supplementary CSF offer document or a replacement CSF offer document:
-

- (a) must not be provided otherwise than as permitted by subsection (1); and
- (b) if it is provided as permitted by paragraph (1)(a) or (b)—must not incorporate any changes made otherwise than:
  - (i) for the purpose of correcting a defect or non-compliance as mentioned in that paragraph; or
  - (ii) as permitted by the regulations; and
- (c) if it is provided as permitted by paragraph (1)(c)—must comply with any conditions imposed by regulations made for the purpose of that paragraph.

- (4) At the beginning of a replacement CSF offer document, there must be:
  - (a) a statement that it is a replacement CSF offer document; and

- (5) If, in accordance with this section, the company making a CSF offer provides the responsible intermediary with a supplementary CSF offer document or a replacement CSF offer document, then subject to subsection (6), the intermediary may:
  - (a) in the case of a supplementary CSF offer document—publish the supplementary CSF offer document on the offer platform (together with the affected offer document); or
  - (b) in the case of a replacement CSF offer document—substitute the replacement offer document for the affected offer document on the offer platform.

Note: The responsible intermediary is not required to publish the supplementary or replacement CSF offer document. See also the

provisions of section 738X relating to suspension or closure of CSF offers.

- (6) The following provisions apply in relation to a supplementary CSF offer document or a replacement CSF offer document in the same way as they apply to any CSF offer document:
- (a) section 738M (consents needed for publication of CSF offer document);
  - (b) section 738Q (gatekeeper obligations of CSF intermediaries).
- (7) However, subsection 738M(2) does not apply so as to require a fresh consent to be obtained in relation to a statement if the supplementary CSF offer document, or replacement CSF offer document, does not make any material change to either the form of the statement as it was included in the affected offer document, or the context in which it was included.

*Consequences of publication of a supplementary CSF offer document*

- (8) If a supplementary CSF offer document for a CSF offer is published on the offer platform, then, for the purposes of the application of this Chapter to events that occur after that document is first published on the platform, the CSF offer document is taken to be the affected offer document together with the supplementary CSF offer document.

*Consequences of publication of a replacement CSF offer document*

- (9) If a replacement CSF offer document for a CSF offer is published on the offer platform, then, for the purposes of the application of this Chapter to events that occur after that document is first published on the platform, the CSF offer document is taken to be the replacement CSF offer document.

- (2) The responsible intermediary must, as soon as practicable:
- (a) remove the CSF offer document from the offer platform; and
  - (b) either:
    - (i) close the offer; or
    - (ii) suspend the offer by giving notice on the offer platform that the offer is suspended.

Note 1: Failure to comply with this subsection is an offence (see subsection 1311(1)).

Note 2: See also section 738N, which deals with closure of CSF offers.

- (3) If the responsible intermediary suspends the offer, the notice required by subparagraph (2)(b)(ii) must continue to appear on the offer platform until the suspension ends (see subsection (6)) or the offer closes.

  - (b) the responsible intermediary publishes the supplementary CSF offer document or replacement CSF offer document on the offer platform.
- (6) If the CSF offer has been suspended, the suspension of the CSF offer ends when the supplementary CSF offer document or replacement CSF offer document is first published on the offer platform.

- (7) The responsible intermediary must, as soon as practicable after the supplementary CSF offer document or replacement CSF offer document is first published on the offer platform, give each person who has already applied pursuant to the CSF offer a written notice, accompanied by that document, advising the person that they may, within one month after the date of the notice, withdraw their application and be repaid.

Note 1: Failure to comply with this subsection is an offence (see subsection 1311(1)).

Note 2: If the suspension does not end under this subsection, the responsible intermediary must return the application money when the offer closes (see section 738ZB).

- (8) An offence based on subsection (7) is an offence of strict liability.

- (9) A person who is given a notice under subsection (7) may, within one month after the date of the notice, withdraw their application. The withdrawal must be by notice in writing to the responsible intermediary.

Note: If an applicant withdraws their application, the responsible intermediary must return the application money (see section 738ZB).
