- (b) an administrator appointed by APRA is in control of a body corporate's business under this Subdivision—the administrator is the *Insurance Act statutory manager* of the body corporate.

Note: This section and other provisions relating to statutory management do not apply to the aspects described in subsection 62ZVA(1) of the business and management of a foreign general insurer.

(9) If APRA appoints 2 or more Insurance Act statutory managers of a body corporate, or appoints one or more additional Insurance Act statutory managers of a body corporate:

- (a) the functions and powers under this Act of an Insurance Act statutory manager of the body corporate may be performed or exercised by:
 - (i) all of the Insurance Act statutory managers of the body corporate acting jointly; or
 - (ii) each of the Insurance Act statutory managers of the body corporate acting individually (except to the extent (if any) specified in a notice given by APRA under paragraph (b)); and

- (c) treat a reference in this Act to an Insurance Act statutory manager as being a reference to whichever one or more of those Insurance Act statutory managers the case requires.

62ZOB Start of control of body corporate's business by Insurance Act statutory manager

- (1) After the decision that an Insurance Act statutory manager will take control of a body corporate's business is made, APRA must give the body corporate written notice that the Insurance Act statutory manager will take, or is taking, control of the business.

Note: Subsections 62ZOQ(4) and 62ZOZA(3) also require APRA to give notice of the taking of control.

- (2) An Insurance Act statutory manager takes control of a body corporate's business:
 - (a) at the time specified in a notice under this section as the time when the Insurance Act statutory manager takes control of the business (which must not be earlier than the notice is given); or
 - (b) if a notice under this section does not specify a time as the time when the Insurance Act statutory manager takes control of the business—at the time the notice is given.
- (3) A notice under subsection (1) is not a legislative instrument.

62ZOC Insurance Act statutory managers—termination of control

Conditions necessary for termination of control

- (1) If APRA assumes control of a body corporate's business or appoints an administrator of a body corporate's business, APRA must ensure that either it or an administrator of the body corporate's business has control of the body corporate's business until:
 - (a) APRA considers that it is no longer necessary for it or an administrator to remain in control of the body corporate's business; or
 - (b) APRA has applied for the body corporate to be wound up.

A termination of control that is permitted under this section is called an ***ultimate termination of control***.

Note: This provision does not prevent a change, or changes, between control of a body corporate's business by APRA and an administrator or between administrators.

Events to precede termination

- (2) Before making an ultimate termination of control by an Insurance Act statutory manager of a body corporate's business, APRA must:
- (a) do both of the following:
 - (i) ensure that directors of the body corporate have been appointed or elected under the body corporate's constitution at a meeting called by the statutory manager in accordance with the body corporate's constitution;
 - (ii) if the body corporate is a foreign general insurer—appoint an agent in Australia for the purpose of section 118 by instrument in writing; or
 - (b) do both of the following:
 - (i) appoint directors of the body corporate by instrument in writing;
 - (ii) if the body corporate is a foreign general insurer—appoint an agent in Australia for the purpose of section 118 by instrument in writing; or
 - (c) ensure that a liquidator has been appointed:
 - (i) unless subparagraph (ii) applies—for the body corporate; or
 - (ii) if the body corporate is a foreign general insurer—for the body corporate in relation to its Australian business assets and liabilities.

Power to terminate control

- (3) If the requirements in subsections (1) and (2) are satisfied, APRA may by instrument in writing make an ultimate termination of control of a body corporate's business by an Insurance Act statutory manager.
- (4) If the Insurance Act statutory manager at the time of the termination is an administrator, the instrument of termination also

operates as a termination of the appointment of the administrator. A copy of the instrument must be given to the administrator. However, mere failure to give the copy to the administrator does not affect the termination of the appointment.

Period of director's appointment

- (5) If a director is elected or appointed under subsection (2), the director takes office on the termination of the Insurance Act statutory manager's control of the body corporate's business. If the director was appointed by APRA, the director holds office until the body corporate's next annual general meeting, subject to any terms and conditions imposed by APRA on the director's appointment. If the director was appointed or elected under the body corporate's constitution, the constitution governs the appointment.

Note: For further information about what happens when an Insurance Act statutory manager is in control of a body corporate's business, see Subdivision B.

Subdivision B—Provisions dealing with control of a body corporate's business by an Insurance Act statutory manager

62ZOD Insurance Act statutory manager's powers and functions

Insurance Act statutory manager's powers and functions include powers and functions of board

 - (c) the person fails to comply with the requirement.

Penalty: Imprisonment for 12 months.

Note 1: Subsection 4B(2) of the *Crimes Act 1914* allows a court to impose a fine instead of, or in addition to, a term of imprisonment. The maximum fine a court may impose is worked out as provided in that subsection.

Note 2: If a body corporate is convicted of an offence against this subsection, subsection 4B(3) of the *Crimes Act 1914* allows a court to impose a fine of up to 5 times the maximum fine worked out as mentioned in Note 2.

- (4) An individual is not excused from complying with a requirement under subsection (2) to give information on the ground that doing so would tend to incriminate the individual or make the individual liable to a penalty.

- (5) If:
- (a) before giving information in compliance with a requirement under subsection (2), an individual claims that giving the information might tend to incriminate the individual or make the individual liable to a penalty; and
 - (b) giving the information might in fact tend to incriminate the individual or make the individual so liable;

the information given in compliance with the requirement is not admissible in evidence against the individual in a criminal proceeding or a proceeding for the imposition of a penalty, other than a proceeding in respect of the falsity of the information.

- (6) Subsections (4) and (5) apply to the production of books, accounts or documents in a corresponding way to the way in which they apply to the giving of information.

Insurance Act statutory manager's power to sell whole or part of body corporate's business

Insurance Act statutory manager's powers to alter body corporate's constitution etc.

- (8) An Insurance Act statutory manager may, if the body corporate concerned is registered under the *Corporations Act 2001*, alter the body corporate's constitution, rules or other arrangements for governance if the alteration:

- (a) is necessary or convenient for enabling or facilitating the performance of the Insurance Act statutory manager's functions and duties, or the exercise of the Insurance Act statutory manager's other powers, under this Division in relation to the body corporate; and
- (b) promotes:
 - (i) the protection of the policyholders of the body corporate; and
 - (ii) financial system stability in Australia.

- (9) An Insurance Act statutory manager may do an act under subsection (7) or (8) despite:

- (a) the *Corporations Act 2001*; and

Giving company members notice of exercise of powers

- (2) As soon as practicable after doing an act described in paragraph (1)(a), (b), (c) or (e) or subsection (3), the Insurance Act statutory manager must give written notice to the persons who were members (under section 231 of the *Corporations Act 2001*) of the company just before the act, identifying the act and explaining its effect on their interests as members.

Getting and considering report on fair value of shares or rights

- (1) Before determining terms for an act under subsection 62ZOF(1), the Insurance Act statutory manager must:
 - (a) obtain a report meeting the requirements in subsection (2) of this section on the fair value of the shares or rights concerned from an expert who is not an associate of the statutory

manager, or of the company, under Division 2 of Part 1.2 of the *Corporations Act 2001*; and

(b) consider the report;

unless APRA determines under subsection (8) that this subsection does not apply in relation to that act relating to those shares or rights.

Content of report

(2) The report must set out:

(a) the amount that is, in the expert's opinion, the fair value for each share or right concerned; and

(b) the reasons for forming the opinion; and

(c) any relationship between the expert and any of the following persons:

(i) the Insurance Act statutory manager;

(ii) a person who is an associate of the Insurance Act statutory manager under Division 2 of Part 1.2 of the *Corporations Act 2001*;

Determining fair value of shares

(3) In determining for the purposes of paragraph (2)(a) the amount that is, in the expert's opinion, the fair value for each share concerned, the expert must:

(a) first, assess the value of the company as a whole, in accordance with the assumptions (if any) notified to the expert by the Minister for the valuation of the company; and

- (b) then allocate that value among the classes of shares in the company that either have been issued or that the Insurance Act statutory manager proposes to issue (taking into account the relative financial risk, and voting and distribution rights, of the classes); and
- (c) then allocate the value of each class pro rata among the shares in that class that either have been issued or that the Insurance Act statutory manager proposes to issue (without allowing a premium or applying a discount for particular shares in that class).

Assumptions for valuation of company

- (4) The Minister may give the expert written notice of assumptions for the valuation of the company. The Minister may, by further written notice given to the expert, revoke, but not vary, notice of the assumptions. A notice under this subsection is not a legislative instrument.

Determining fair value of rights

- (5) In determining for the purposes of paragraph (2)(a) the amount that is, in the expert's opinion, the fair value for each right concerned, the expert must act in accordance with the assumptions (if any) notified to the expert by the Minister for the valuation of the right.

Exemption from subsection (1)

- (8) APRA may determine in writing that subsection (1) does not apply in relation to an act relating to shares or rights if APRA is satisfied that delaying the act to enable compliance with that subsection in relation to the act would detrimentally affect:
- (a) policyholders with:
 - (i) if the company is a general insurer—the general insurer; or
 - (ii) if the company is not a general insurer—the relevant general insurer mentioned in subsection 62ZOA(3); and
 - (b) financial system stability in Australia.
- (9) APRA must:
- (a) publish a copy of a determination under subsection (8) in the *Gazette*; and

- (10) A determination made under subsection (8) is not a legislative instrument.

179AC Life Insurance Act statutory managers—termination of control

Conditions necessary for termination of control

- (1) If APRA assumes control of a body corporate's business or appoints an administrator of a body corporate's business, APRA must ensure that either it or an administrator of the body corporate's business has control of the body corporate's business until:

(a) APRA considers that it is no longer necessary for it or an administrator to remain in control of the body corporate's business; or

(b) APRA has applied for the body corporate to be wound up.

A termination of control that is permitted under this section is called an ***ultimate termination of control***.

Note: This provision does not prevent a change, or changes, between control of a body corporate's business by APRA and an administrator or between administrators.

Events to precede termination

(2) Before making an ultimate termination of control by a Life Insurance Act statutory manager of a body corporate's business, APRA must:

(a) do both of the following:

(i) ensure that directors of the body corporate have been appointed or elected under the body corporate's constitution at a meeting called by the statutory manager in accordance with the body corporate's constitution;

(ii) if the body corporate is an eligible foreign life insurance company—ensure that a Compliance Committee of the body corporate is established and operating for the purpose of section 16ZF; or

(i) appoint directors of the body corporate by instrument in writing;

(ii) if the body corporate is an eligible foreign life insurance company—ensure that a Compliance Committee of the body corporate is established and operating for the purpose of section 16ZF; or

(i) unless subparagraph (ii) applies—for the body corporate; or

(ii) if the body corporate is an eligible foreign life insurance company—for the body corporate in relation to its Australian business assets and liabilities.

Power to terminate control

- (3) If the requirements in subsections (1) and (2) are satisfied, APRA may by instrument in writing make an ultimate termination of control of a body corporate's business by a Life Insurance Act statutory manager.
- (4) If the Life Insurance Act statutory manager at the time of the termination is an administrator, the instrument of termination also operates as a termination of the appointment of the administrator. A copy of the instrument must be given to the administrator. However, mere failure to give the copy to the administrator does not affect the termination of the appointment.

Period of director's appointment

- (5) If a director is elected or appointed under subsection (2), the director takes office on the termination of the Life Insurance Act statutory manager's control of the body corporate's business. If the director was appointed by APRA, the director holds office until the body corporate's next annual general meeting, subject to any terms and conditions imposed by APRA on the director's appointment. If the director was appointed or elected under the body corporate's constitution, the constitution governs the appointment.
