 - (ii) the referral of the amendment reference; and
 - (c) has not terminated the adoption of post-amended version 2 of this Act;is based on:

14C What is a *participating State*?

Participating State

- (1) A State is a ***participating State*** if, for the purposes of paragraph 51(xxxvii) of the Constitution, the Parliament of the State:

 - (i) *text reference 1 (see subsection (2)); and

 - (iii) referred to the Commonwealth Parliament the amendment reference;

after the enactment of the *Unexplained Wealth Legislation Amendment Act 2018*.

Text reference 1

- (2) **Text reference 1** of a State means the matters to which the *pre-amended version of this Act would relate if *express amendments were made to it in the terms, or substantially in the terms, of *relevant law 1, but excluding matters to which the pre-amended version of this Act otherwise relates.

Text reference 2

- (3) **Text reference 2** of a State means the matters to which the *pre-amended version of this Act would relate if *express amendments were made to it in the terms, or substantially in the terms, of *relevant law 2, but excluding matters to which the pre-amended version of this Act otherwise relates.

Amendment reference

- (4) The **amendment reference** of a State means the matters relating to:

Certain things do not affect a participating State's status

- (7) A State is a **participating State** even if the State's *referral Act or *adoption Act provides that:
- (a) the reference to the Commonwealth Parliament of *text reference 1, *text reference 2 or the *amendment reference is to terminate in particular circumstances; or
 - (b) the adoption of *post-amended version 1 of this Act or *post-amended version 2 of this Act is to terminate in particular circumstances; or

- (ii) requires or permits property (within the meaning of subsection 14D(2)) to be restrained, forfeited or seized otherwise than by order of a court; or
- (d) the reference to the Commonwealth Parliament of text reference 1, text reference 2 or the amendment reference has effect only:
 - (i) if and to the extent that the matter is not included in the legislative powers of the Commonwealth Parliament (otherwise than by a reference under paragraph 51(xxxvii) of the Constitution); or
 - (ii) if and to the extent that the matter is included in the legislative powers of the Parliament of the State.

When a State ceases to be a participating State

 - (a) in the case where the Parliament of the State has referred to the Commonwealth Parliament *text reference 1 and *text reference 2—either or both of those references terminate; or
 - (b) in the case where the Parliament of the State has adopted the *post-amended version 1 of this Act and *post-amended version 2 of this Act—either or both of those adoptions terminate.
- (9) A State ceases to be a **participating State** if:
 - (a) the State’s referral of the *amendment reference terminates; and
 - (b) subsection (10) does not apply to the termination.
- (10) A State does not cease to be a **participating State** because of the termination of its referral of the *amendment reference if:
 - (a) the termination is effected by the Governor of that State fixing a day by proclamation as the day on which the reference terminates; and
 - (b) the day fixed is no earlier than the first day after the end of the period of 6 months beginning on the day on which the proclamation is published; and
 - (c) that State’s amendment reference, and the amendment reference of every other State, terminates on the same day.

- (c) refers the *amendment reference to the Commonwealth Parliament.

express amendment of this Act means the direct amendment of the text of this Act (whether by the insertion, omission, repeal, substitution or relocation of words or matter) by another Commonwealth Act or by an instrument under a Commonwealth Act, but does not include the enactment by a Commonwealth Act of a provision that has, or will have, substantive effect otherwise than as part of the text of this Act.

Subdivision C—Interaction of the national unexplained wealth provisions and orders with State and Territory laws and orders

14L Concurrent operation of State and Territory laws with national unexplained wealth provisions

Concurrent operation of laws

- (1) The *national unexplained wealth provisions do not exclude or limit the operation of a law of a State or Territory (including a *special confiscation law) to the extent that the law is capable of operating concurrently with those provisions.
- (2) A *corresponding law of a State or Territory is a ***special confiscation law*** while the State is a *participating State or the Territory is a *self-governing Territory.
-

- (3) Without limiting subsection (1), the *national unexplained wealth provisions do not exclude or limit the concurrent operation of a *special confiscation law merely because:
- (a) that law, or an order made under that law:
 - (i) prevents or restricts a person from disposing of, or dealing with, property (for example, by way of a restraining order made under that law); or
 - (ii) confiscates or forfeits property of a person (for example, by way of a forfeiture order made under that law); or
 - (iii) requires the person to pay an amount (for example, by way of an unexplained wealth order made under that law); or
 - (iv) deals with a matter prescribed by the regulations; and
 - (b) the national unexplained wealth provisions, or an order made under those provisions, also:
 - (i) prevent or restrict the person from disposing of, or dealing with, the property (for example, by way of a restraining order under section 20A); or
 - (ii) require the person to pay an amount (for example, by way of an *unexplained wealth order); or
 - (iii) deal with a matter prescribed by the regulations.
- (4) Subsection (3) applies even if the *special confiscation law, or order made under that law, does any one or more of the following:
- (a) prevents or restricts a person from disposing of, or dealing with, property in circumstances in which a *restraining order under section 20A could not be obtained to prevent or restrict such disposal or dealing;
 - (b) prevents or restricts, in particular circumstances, disposal of, or dealing with, more or less property than could be covered by a restraining order under section 20A in those circumstances;
 - (c) prevents or restricts disposal of, or dealing with, property that is or could be excluded from a restraining order under section 20A;
 - (d) confiscates or forfeits, in particular circumstances, property of a greater or lesser value than the *unexplained wealth amount of a person under an *unexplained wealth order that is or could be made in those circumstances;

- (e) requires payment of an amount that is greater or lesser than the amount that is or could be payable under an unexplained wealth order;
- (f) deals with a matter prescribed by the regulations.

This section does not affect section 14A

- (5) This section does not by implication affect section 14A (which deals with the concurrent operation of this Act, except the *national unexplained wealth provisions, and laws of States and Territories).

Application of this section

- (6) This section applies in relation to the operation of the *national unexplained wealth provisions and a law of a *participating State or *self-governing Territory in the period referred to in subsection (7), including in relation to:
 - (a) orders that are made under a *special confiscation law in that period in relation to proceedings that are instituted under the special confiscation law before or in that period; and
 - (b) orders that are made under a special confiscation law before that period and that are in force at any time in that period; and
 - (c) orders that are made under the national unexplained wealth provisions in that period in relation to proceedings that are instituted under the national unexplained wealth provisions before or in that period.
- (7) For the purposes of subsection (6), the period is as follows:
 - (a) for a *participating State that has a *referral Act—the period starts at the commencement of this section and ends only if the State ceases to be a participating State, in which case, the period ends at the time the State so ceases;

Part 1—General

Division 1—Termination of State reference or adoption

1 Effect of termination on things that happened beforehand etc.

- (1) This clause applies if a *participating State ceases to be a participating State because it has terminated its reference or adoption as described in subsection 14C(8) or (9).
- (2) The termination does not:
 - (a) revive anything not in force or existing at the time at which the termination takes effect; or
 - (b) affect the previous operation of the *national unexplained wealth provisions before the termination; or
 - (c) affect any proceedings instituted under or in relation to the national unexplained wealth provisions before the termination; or
 - (d) affect any order made under or in relation to the national unexplained wealth provisions before the termination; or
 - (e) affect any thing done under or in relation to the national unexplained wealth provisions before the termination; or
 - (f) affect any right, privilege, obligation or liability acquired, accrued or incurred under or in relation to the national unexplained wealth provisions before the termination; or
 - (g) affect any penalty, forfeiture or punishment incurred under or in relation to the national unexplained wealth provisions before the termination; or
 - (h) affect any investigation, action, proceedings or remedy in relation to any matter referred to in paragraph (c), (d), (e), (f) or (g).

Paragraphs (a) to (h) do not limit each other.

- (3) Without limiting subclause (2) but subject to subclause (4):
 - (a) any proceedings instituted under or in relation to the *national unexplained wealth provisions before the termination continue after the termination as if the termination had not occurred; and
 - (b) any order made under or in relation to the national unexplained wealth provisions before the termination

continues in force after the termination as if the termination had not occurred; and

- (c) any proceedings or remedy in relation to a matter referred to in paragraph (2)(c), (d), (f) or (g) may be instituted, continued, obtained or enforced after the termination as if the termination had not occurred; and
- (d) any investigation in relation to a matter referred to in paragraph (2)(c), (d), (f) or (g) may be continued after the termination as if the termination had not occurred; and
- (e) any action in relation to any proceedings, order, remedy or investigation referred to in a paragraph of this subclause may be taken after the termination as if the termination had not occurred.

Paragraphs (a) to (e) of this subclause do not limit each other.

2 Effect of termination on the sharing of certain proceeds of confiscated assets

- (1) If:
 - (a) a State ceases to be a *participating State because it has terminated its reference or adoption as described in subsection 14C(8) or (9); and
 - (b) the State has not terminated:
 - (i) if the State referred *text reference 2—that referral; or

(2) Subclause (1) does not apply if the State is a *cooperating State.

Note: If the State is a cooperating State, it will be treated in the same way as a participating State for all proceeds of confiscated assets (and not just proceeds that are amounts payable under unexplained wealth orders).

3 Effect of termination—regulations

 - (a) any proceedings instituted under or in relation to the *national unexplained wealth provisions before the cessation continue after the cessation as if the cessation had not occurred; and
 - (b) any order made under or in relation to the national unexplained wealth provisions before the cessation continues in force after the cessation as if the cessation had not occurred; and
 - (c) any proceedings or remedy in relation to a matter referred to in paragraph (2)(c), (d), (f) or (g) may be instituted, continued, obtained or enforced after the cessation as if the cessation had not occurred; and
 - (d) any investigation in relation to a matter referred to in paragraph (2)(c), (d), (f) or (g) may be continued after the cessation as if the cessation had not occurred; and

 - (b) a production order cannot require documents that are not:
 - (i) in the possession or under the control of a body corporate; or

- (ii) used or intended to be used in the carrying on of a business;

Division 2—The national cooperative scheme on unexplained wealth

297A The scheme

- (1) The *national cooperative scheme on unexplained wealth* is a scheme under which any or all of the following happen:
 - (a) the Commonwealth shares with a foreign country, in accordance with section 297B, any *proceeds of confiscated assets that are shareable (within the meaning of the *NCSUW agreement);
 - (b) the Commonwealth shares with a State or *self-governing Territory, in accordance with section 297C, any proceeds of confiscated assets that are shareable (within the meaning of the NCSUW agreement);
 - (c) a *participating State, *cooperating State or self-governing Territory shares with the Commonwealth, in accordance with a law of the State or Territory, any corresponding proceeds of the State or Territory (within the meaning of the NCSUW agreement) that are shareable (within the meaning of that agreement);
 - (d) a *non-participating State (other than a cooperating State) shares with the Commonwealth any corresponding proceeds of the State (within the meaning of the NCSUW agreement) that are shareable (within the meaning of that agreement).
- (2) The *NCSUW agreement* is the Intergovernmental Agreement on the National Cooperative Scheme on Unexplained Wealth, as in force from time to time.

297B Sharing with foreign countries

- (1) This section sets out the process under the *national cooperative scheme on unexplained wealth for sharing with a foreign country *proceeds of confiscated assets that are shareable (within the meaning of the *NCSUW agreement).
- (2) If the Minister decides that:
 - (a) a foreign country has made a contribution in relation to the recovery of the proceeds; and
 - (b) it is appropriate that a specified amount of the proceeds be payable to the country;then the specified amount is payable to the country under the *national cooperative scheme on unexplained wealth.
- (3) However, the specified amount must not exceed the amount of the proceeds, reduced by any amounts for the making of payments referred to in paragraphs 297(fa), (ga) and (h) in relation to the proceeds.

297C Sharing with States and Territories

What this section is about

- (1) This section sets out the process under the *national cooperative scheme on unexplained wealth for sharing with a State or *self-governing Territory *proceeds of confiscated assets that are shareable (within the meaning of the *NCSUW agreement).

Amount of proceeds to be shared

- (2) The proceeds are to be reduced by:
 - (a) any amount of the proceeds that is payable to a foreign country under subsection 297B(2); and
 - (b) any amounts for the making of payments referred to in paragraphs 297(fa), (ga) and (h) in relation to the proceeds.The resulting amount is the **net amount**.

The subcommittee of the Cooperating Jurisdiction Committee

- (3) The Cooperating Jurisdiction Committee established under the *NCSUW agreement must establish a subcommittee for the

purposes of deciding matters under this section in relation to the net amount.

- (4) The subcommittee must consist of the following members of the Cooperating Jurisdiction Committee:
- (a) the Commonwealth;
 - (b) if, in the decision-making period referred to in subsection (9), the Cooperating Jurisdiction Committee makes a unanimous decision that one or more *participating States, *cooperating States or *self-governing Territories made a contribution (within the meaning of the *NCSUW agreement) in relation to the recovery of the proceeds—each of those States and Territories.

Non-participating States' share

- (5) If, in the decision-making period referred to in subsection (9), the subcommittee makes a unanimous decision that:
- (a) a *non-participating State (other than a *cooperating State) made a contribution (within the meaning of the *NCSUW agreement) in relation to the recovery of the proceeds; and
 - (b) it is appropriate that a specified proportion of the net amount be payable to that State;
- then the specified proportion of the net amount is payable to that State under the *national cooperative scheme on unexplained wealth.

Participating States', cooperating States' and Territories' share

- (6) If the subcommittee includes one or more *participating States, *cooperating States or *self-governing Territories, then:
- (a) any part of the net amount that remains after an application of subsection (5) is to be divided into equal proportions between the Commonwealth and each of those States or Territories; and
 - (b) the resulting proportion for each of those States or Territories is payable to the State or Territory under the *national cooperative scheme on unexplained wealth.
- (7) However, if, in the decision-making period referred to in subsection (9), the subcommittee makes a unanimous decision that:
-

- (a) it is inappropriate for the sharing arrangements referred to in subsection (6) to apply; and
- (b) it is appropriate that a specified proportion, of any part of the net amount that remains after any application of subsection (5), be payable to each of those States or Territories;

then:

- (c) the sharing arrangements referred to in subsection (6) do not apply; and
- (d) the specified proportion for each of those States or Territories, of any part of the net amount that remains after any application of subsection (5), is payable to the State or Territory under the *national cooperative scheme on unexplained wealth.

Making of decisions

- (8) Decisions may be made under this section in relation to an amount before the amount becomes *proceeds of confiscated assets or the net amount.

Note: For example, if an unexplained wealth order is made that requires a person to pay to the Commonwealth an amount, the Cooperating Jurisdiction Committee may establish a subcommittee, and the subcommittee may make decisions under this section about the sharing of that amount, before the amount becomes proceeds of confiscated assets (which it will become when it is paid to the Commonwealth) or the net amount.

Decision-making period

- (9) For the purposes of subsections (4), (5) and (7), the decision-making period is:
 - (a) the period specified in the *NCSUW agreement as being the decision-making period for the purposes of the *national cooperative scheme on unexplained wealth; or
 - (b) if paragraph (a) does not apply—the period prescribed by the regulations as being the decision-making period for the purposes of that scheme.
 - (10) The *NCSUW agreement and the regulations may specify that the decision-making period starts or ends at a time before an amount becomes *proceeds of confiscated assets.
-

Schedule 5 Sharing proceeds under the national cooperative scheme on unexplained wealth

Note: For example, the NCSUW agreement or regulations may provide that, for proceeds of confiscated assets that are an amount that has been paid to the Commonwealth under an unexplained wealth order (see section 179R), the decision-making period starts when the order is made (which is before the time the amount becomes proceeds of confiscated assets under paragraph 296(3)(fa)).

Payment period

- (11) If an amount is payable to a *participating State, *cooperating State or *self-governing Territory under this section, then the Minister must cause the amount to be paid to the State or Territory in the period that is:
- (a) the period specified in the *NCSUW agreement as being the payment period for the purposes of the *national cooperative scheme on unexplained wealth; or
 - (b) if paragraph (a) does not apply—the period prescribed by the regulations as being the payment period for the purposes of that scheme.
