## PPS Bulletin

### How it affects the architectural industry

PPS Bulletin Number 1 is withdrawn with effect from today.

1. PPS Bulletin Number 1 explains what a prescribed payment is and how the Prescribed Payments System (PPS) affects the architectural industry.
2. The Pay As You Go withholding system came into effect from 1 July 2000 and replaced the PPS. The PPS ceased to apply to the architectural industry from that date.
3. PPS Bulletin Number 1 is no longer current and does not apply to the architectural industry after 1 July 2000.
