Add to the **Ruling** part of the Product Ruling after paragraph 40:

Division 35 – deferral of losses from non-commercial business activities

Section 35-55 – Commissioner’s discretion

40.1. For a Grower who is an individual and who entered the Project on or after 23 June 1999 and prior to any withdrawal of this Product Ruling, the rule in section 35-10 may apply to the business activity comprised by their involvement in this Project. Under paragraph 35-55(1)(b) the Commissioner has decided for the income years ended 30 June 2001 to 30 June 2003 that the rule in section 35-10 does not apply to this business activity provided that the Project has been, and continues to be, carried on in a manner that is not materially different to the arrangement described in this Ruling.

40.2. This exercise of the discretion in subsection 35-55(1) will not be required where for any year in question:

- a Grower’s business activity satisfies one of the objective tests in sections 35-30, 35-35, 35-40 or 35-45; or
- the ‘Exception’ in subsection 35-10(4) applies.

40.3. Where either the Grower’s business activity satisfies one of the objective tests, the discretion in subsection 35-55(1) is exercised, or the Exception in subsection 35-10(4) applies, section 35-10 will not apply. This means that a Grower will not be required to defer any excess of deductions attributable to their business activity in excess of

any assessable income from that activity, i.e., any 'loss' from that activity, to a later year. Instead, this 'loss' can be offset against other assessable income for the year in which it arises.

40.4. Growers should not see the Commissioner's decision to exercise the discretion in paragraph 35-55(1)(b) as an indication that the Tax Office sanctions or guarantees the Project or the product to be a commercially viable investment. An assessment of the Project or the product from such a perspective has not been made.
