Product Ruling

Income tax: Queensland Paulownia Forests Project No. 7 (Revised Arrangement)

This Addendum amends Product Ruling PR 2004/22 to reflect changes to simplified tax system legislation from 1 July 2005 and to correct the Date of Effect.

PR 2004/22 is amended as follows:

1. Paragraph 11

Omit the first sentence and substitute:

This Ruling applies prospectively from 10 March 2004, the date this Ruling is made.

2. Paragraph 39

Omit the paragraph and substitute:

39. To be an 'STS taxpayer' a Grower must be eligible to be an 'STS taxpayer' and must have elected to be an 'STS taxpayer'. Changes to the STS rules apply from 1 July 2005. From that date, STS taxpayers may use the accruals accounting method. For a Grower participating in the Project, the recognition of income and the timing of tax deductions is different under the STS where the Grower uses the cash accounting method.

3. Paragraph 55

Omit the paragraph and substitute:

55. A Grower who is an 'STS taxpayer' using the accruals accounting method will be assessable on ordinary income from carrying on their business of afforestation in the income year in which that income is derived.

PR 2004/22**4. After paragraph 55**

Insert:

55A. A Grower who is an 'STS taxpayer' using the cash accounting method will be assessable on ordinary income from carrying on their business of afforestation in the income year in which that income is received.
