3 Paragraph 7(1)(a)

Repeal the paragraph, substitute:

- (a) on 1 March 2020, the entity:
 - (i) carried on a business in Australia; or
 - (ii) was a non-profit body that pursued its objectives principally in Australia; or
 - (iii) was a deductible gift recipient that was, or operated, a public fund covered by item 9.1.1 or 9.1.2 of the table in subsection 30-80(1) of

the *Income Tax Assessment Act 1997* (international affairs deductible gift recipients); and

4 Paragraph 7(2)(e)

After “sovereign entity”, insert “, or would be a sovereign entity if subparagraphs 880-15(c)(ii) and (iii) of the *Income Tax Assessment Act 1997* were disregarded”.

5 Paragraph 8(7)(a)

Before “the”, insert “unless paragraph (aa) applies—”.

6 After paragraph 8(7)(a)

Insert:

- (aa) if the entity is a Table A provider or a Table B provider—the *turnover test period* must be the period of 6 months starting on 1 January 2020; and

7 After paragraph 8(8)(e)

Insert:

- (ea) for an entity that is a Table A provider or a Table B provider—subsection 9-17(3) of the GST Act is to be disregarded in its application to a payment covered by an appropriation under the *Higher Education Support Act 2003* or the *Australian Research Council Act 2001*;

8 At the end of subsection 8(8)

Add:

- ; (h) for an entity that is an ACNC-registered charity (other than a Table A provider, a Table B provider, or a school)—a supply made by the entity is to be disregarded, if:
- (i) the consideration for the supply is provided by an Australian government agency, a local governing body, the United Nations, or an agency of the United Nations; and
 - (ii) the ACNC-registered charity elects, in accordance with subsection (9), for this paragraph to apply.

9 At the end of section 8

Add:

- (9) The election referred to in subparagraph (8)(h)(ii) must be:
- (a) in the approved form; and
 - (b) given to the Commissioner within 7 days of notifying the Commissioner of the entity’s election to participate in the jobkeeper scheme (see paragraph 6(1)(e) and 12A(1)(f)), or such later time as the Commissioner allows.

The election cannot be revoked.

10 After section 8

Insert:

8A Decline in turnover test—modified test for certain group structures

- (1) This section applies, in addition to section 8, to an entity (an **employer entity**) if:
- (a) the employer entity is a member of a consolidated group, consolidatable group, or a GST group; and
 - (b) the employer entity's principal activity is supplying other members of the group with services (**employee labour services**) consisting of the performance of work by individuals the employer entity employs; and
 - (c) the Commissioner has not made a determination under subsection (5) in relation to the employer entity.

Modified test

- (2) The employer entity satisfies the decline in turnover test at a time (the **test time**) if:
- (a) in a turnover test period in which the test time occurs, the employer entity:
 - (i) supplies employee labour services to one or more members of the group (each of which is a **test member**) that have as their principal activity the making of supplies to entities other than members of the group; and
 - (ii) does not supply employee labour services to entities that are not members of the group (disregarding supplies that are merely incidental to the principal activity of the employer entity); and
 - (b) the employer entity would satisfy the decline in turnover test in subsection 8(1) at the test time if the modifications in subsection (3) of this section were made.

Note 1: An entity that satisfies the decline in turnover test under this subsection may be entitled to a jobkeeper payment under this Division or Division 3.

Note 2: See subsection 8(7) for the meaning of **turnover test period**.

- (3) For the purposes of paragraph (2)(b), the modifications are that, in applying subsection 8(1):
- (a) instead of the employer entity's projected GST turnover for the turnover test period, the sum of the projected GST turnovers for that period of each test member is to be used; and
 - (b) instead of the employer entity's current GST turnover for a relevant comparison period, the sum of the current GST turnovers for that period of each test member is to be used.

Note 1: See subsection 8(7) for the meaning of **relevant comparison period**.

Note 2: Current GST turnover and projected GST turnover are modified for the purposes of this section: see subsection 8(8).

- (4) However, if:
- (a) an alternative decline in turnover test determined by the Commissioner under subsection 8(6) applies to a test member; and
 - (b) the alternative test involves applying subsection 8(1) to the test member for the turnover test period, but using a different amount instead of the test member's current GST turnover for a relevant comparison period;
- then in applying paragraph (3)(b) of this section, that different amount is to be used instead of the test member's current GST turnover for the period.

Determination that section does not apply

- (5) The Commissioner may determine in writing that this section does not apply to an entity if the Commissioner is satisfied, having regard to the purpose of the jobkeeper scheme and any other matter the Commissioner considers to be relevant, of either or both of the following:
- (a) that the test in this section is unsuitable, in the circumstances of the group, for measuring the extent to which employees within the group are performing work in operations that have suffered a relevant decline in turnover;
 - (b) that the application of this section to the entity might, in the circumstances of the group (including the group's history of compliance with its obligations under taxation laws), risk the integrity of the Commissioner's administration of the jobkeeper scheme.

Membership of more than one group

- (6) To avoid doubt, if an entity is a member of one or more of the following:
- (a) a consolidated group;
 - (b) a consolidatable group;
 - (c) a GST group;
- it satisfies the decline in turnover test in subsection (2) if it satisfies that test in relation to its membership of any of those groups.

11 After paragraph 9(2)(a)

Insert:

- (aa) if the individual was aged 16 or 17 years—the individual was:
 - (i) independent within the meaning of section 1067A of the *Social Security Act 1991*; or
 - (ii) not undertaking full-time study (within the meaning of the *Social Security Act 1991*); and

12 After paragraph 9(3)(a)

Insert:

- (aa) if the individual was aged 16 or 17 years on 1 March 2020—the nomination notice includes:
 - (i) a statement that the individual was independent within the meaning of section 1067A of the *Social Security Act 1991* on 1 March 2020; or
 - (ii) a statement that the individual was not undertaking full-time study (within the meaning of the *Social Security Act 1991*) on 1 March 2020; and

13 At the end of Division 2 of Part 2

Add:

10A Requirement to give employees notice of election to participate

- (1) If, for the purposes of paragraph 6(1)(e), an entity notifies the Commissioner that the entity elects to participate in the jobkeeper scheme, the entity must give notice, in writing, of the entity's election to each individual who is a relevant employee of the entity.

Note: This section does not apply to an entity in respect of an election to participate in the jobkeeper scheme that the entity makes for the purposes of paragraph 11(1)(e) or 12A(1)(f).

- (2) The notice must:
- (a) be given within 7 days of the entity notifying the Commissioner of the entity's election to participate, or such later time as the Commissioner allows; and
 - (b) state that the individual must give the entity a nomination notice referred to in paragraph 9(3)(a) if the individual agrees to be nominated by the entity as an eligible employee of the entity; and
 - (c) include information about the steps the individual can take to give the entity the nomination notice.

Note: Refusal or failure to give a notice to an individual as required by this section is an offence under section 8C of the *Taxation Administration Act 1953*.

- (3) An individual is a **relevant employee** of an entity if the individual is an employee of the entity on the day the entity notifies the Commissioner of the entity's election to participate.
- (4) However, an individual is not a **relevant employee** of an entity if the entity reasonably believes that the individual does not satisfy the requirements in subsection 9(2).

Note: The requirements in subsection 9(2) are the requirements that an individual must have satisfied on 1 March 2020 to be an eligible employee of an entity.

- (5) An individual is also not a **relevant employee** of an entity if:
- (a) the entity is an ACNC-registered charity; and
 - (b) the entity has made an election under paragraph 8(8)(h); and
 - (c) it is reasonable to conclude that amounts covered by subsection 10(2) in respect of the individual for the fortnight in which the election is made are fully funded by consideration of the kind referred to in subparagraph 8(8)(h)(i) (about consideration provided by an Australian government agency, a local governing body, the United Nations, or an agency of the United Nations).

14 After paragraph 12(3)(a)

Insert:

- (aa) if the individual was aged 16 or 17 years—the individual was:
- (i) independent within the meaning of section 1067A of the *Social Security Act 1991*; or
 - (ii) not undertaking full-time study (within the meaning of the *Social Security Act 1991*); and

15 After paragraph 12(4)(a)

Insert:

- (aa) if the individual was aged 16 or 17 years on 1 March 2020—the nomination notice includes:
- (i) a statement that the individual was independent within the meaning of section 1067A of the *Social Security Act 1991* on 1 March 2020; or

- (ii) a statement that the individual was not undertaking full-time study (within the meaning of the *Social Security Act 1991*) on 1 March 2020; and

16 After Division 3 of Part 2

Insert:

- (2) For the purposes of paragraph (1)(f), the time at or before which the entity must notify the Commissioner that the entity elects to participate in the jobkeeper scheme is:
 - (a) for an entitlement arising in the first, second or third jobkeeper fortnight—the end of the third jobkeeper fortnight; or
 - (b) for an entitlement arising in another fortnight—the end of the fortnight.

Note: The Commissioner may defer the time for giving an approved form: see section 388-55 in Schedule 1 to the *Taxation Administration Act 1953*.

No other entity to be entitled for the same individual
