FIRST SCHEDULE,
ITEM 113G(1)

PREAMBLE

Acoustic computer hoods are designed and put up for sale to reduce the noise level of computers in use in office work. They improve the overall working conditions of the office but are not equipment of a kind used exclusively or primarily and principally in the course of industrial operations to protect persons engaged in those operations.

RULING

Acoustic computer hoods are not covered by item 113G(1), First Schedule, nor any other item, and are taxable at the general rate.
