## Sales Tax Ruling

### Sales tax: machinery implements and apparatus for use in constructing pipelines: pipehaulers

Sales Tax Ruling ST 2046 is withdrawn with effect from today.

1. Sales Tax Ruling ST 2046 explains that pipehaulers clearly designed for and used only as off-road vehicles are not road vehicles of the kind ordinarily used for the transport or delivery of goods. They are therefore taxable at the rate of 7.5% under paragraph 7(1)(c) of the Third Schedule to the *Sales Tax (Exemptions and Classifications) Act 1935*.
2. The goods and services tax came into effect from 1 July 2000. Sales tax ceased to apply to transactions from that date.
3. This Ruling is no longer current and does not apply to transactions occurring on or after 1 July 2000.
