Taxation Ruling

Income tax: effective life of depreciating assets

This Addendum amends Taxation Ruling TR 2000/18 to reflect additions and deletions to Tables A and B.

Taxation Ruling TR 2000/18 is amended as follows:

1. Paragraph 2

Insert at the end of the paragraph:

However instead, some depreciating assets, depending on the circumstances of use, may qualify for capital works deductions under Division 43 of the ITAA 1997.

2. Paragraph 3

Insert at the end of the paragraph:

These determinations are not appropriate to calculate capital works deductions for depreciating assets that qualify for Division 43 of the ITAA 1997. Depreciating assets that qualify for capital works deductions under Division 43 may only have deductions worked out by the method specified in that Division.

3. Paragraph 56

Delete the paragraph and replace with:

56. Statutory caps on the Commissioner's determined effective lives apply to certain assets. Where the Commissioner has determined effective lives for assets in excess of the statutory caps or proposed caps for those assets, they have been marked with a hash (#) in column 3 of **Tables A and B**.

4. Paragraph 61

Insert after paragraph 61 and before the heading 'Replacements' a new paragraph 62 as follows:

62 The determination of an effective life for a depreciating asset by the Commissioner does not by itself mean an asset will always qualify, in whole or in part, for a Division 40 decline in value deduction. Depreciating assets that qualify for capital works deductions under Division 43 have deductions worked out using only the method in that Division. Depreciating assets will qualify for a decline in value deduction only to the extent they are used for a taxable purpose.

5. Renumber paragraphs

Renumber the former paragraph 62 and all subsequent paragraphs to reflect the above change.

6. Schedule of effective life determinations

As part of the ongoing review of the Commissioner's effective life determinations being undertaken by the Tax Office, there are periodic consolidations of Tables A and B of the schedule of effective life determinations, to reflect changes in the Commissioner's determinations.

The Commissioner has made new determinations that commence on 1 July 2005, pursuant to section 40-100 of the *Income Tax Assessment Act 1997*, determining the effective life of assets covered by the following descriptions:

- Accommodation assets;
- Café Restaurants and Takeaway Foods assets;
- Electronic toll collection assets;
- Office commercial business assets
- Plant hire assets; generators, power tools, air compressors, welders and concrete assets;
- Point of Sale assets;
- Pubs Taverns, Bars and Clubs assets;
- Retail – Supermarkets and Department stores assets; and
- Television services assets.

These new determinations, plus other amendments to the schedule of effective life determinations including the removal of some previous determinations, and the reorganising of some previous determinations in the Tables, are incorporated in the attached consolidated Tables A and B which are contained in the new '1 July 2005 Schedule'.
