15. Paragraph 25

Omit the wording of the paragraph; substitute:

In the case of *Goodman Fielder Wattie Ltd v Commissioner of Taxation* [1991] FCA 264 at 36, Hill J stated, *obiter* (emphasis added):

'...The evident purpose of s.73A was to grant a concession to taxpayers in cases where expenditure was not otherwise deductible, for example, if it was of a capital nature. To qualify, the expenditure must be for scientific research, whether that expenditure is made to an approved research institute (s.73A(1)(a)) or is expenditure incurred by the taxpayer itself on scientific research.'

That is, Hill J regarded paragraph 73A(1)(b) as relating to expenditure incurred by the taxpayer **itself** on scientific research. By inference, payments to approved research institutes are therefore not regarded by Hill J as expenditure incurred by the taxpayer itself on scientific research. It follows therefore that payments to non-approved research institutes are also not expenditure incurred by the taxpayer itself on scientific research and hence not deductible under paragraph 73A(1)(b).

16. Paragraph 26

After 'see paragraph 16', insert 'of this Ruling'.

This Addendum applies both before and after its date of issue.
