Taxation Ruling

Income tax: sale and leasebacks

Taxation Ruling TR 95/30 is withdrawn with effect from today.

1. Taxation Ruling TR 95/30 deals with the tax consequences arising in respect of a sale and leaseback arrangement, according to the depreciation provisions contained in the *Income Tax Assessment Act 1936*.
2. These provisions were rewritten in 1997 as part of the Tax Law Improvement Project. The depreciation provisions were replaced by Division 42 of the *Income Tax Assessment Act 1997* (ITAA 1997). From 1 July 2001, Division 42 was replaced by Division 40 of the ITAA 1997.
3. In addition, tax practitioner bodies thought the content of TR 95/30 needed to be updated, following judgments handed down in two Full Federal Court cases in 2001.¹ The Tax Office undertook to review the content of the Ruling.
4. The Tax Office's publication of TR 2006/13 and the accompanying withdrawal of TR 95/30 represent the culmination of that review.
