

GST joint venture – notification of forming, changing or cancelling

WHEN TO COMPLETE THIS FORM

Use this form to notify us that you have:

- formed a goods and services tax (GST) joint venture
- changed the GST joint venture's operator
- added or removed participants from a GST joint venture
- cancelled a GST joint venture.

WHO SHOULD COMPLETE THIS FORM

We can only accept forms signed by either:

- a primary contact for the nominated operator of the GST joint venture, for example, the public officer of a company, trustee of a trust
- a person recorded with us as being authorised by the GST joint venture operator to act on its behalf.

➔ For more information, refer to [Primary contacts and authorised contacts](#).

GST JOINT VENTURES

GST joint ventures need to demonstrate that they are formed for specific projects. The participants share products or outcomes based on an agreed equity ratio. They do not share sale proceeds or profits.

All participants must be registered and account for GST on the same basis during the life of the joint venture.

If a joint venture participant or operator no longer satisfies the eligibility requirements, they need to be removed from the joint venture.

JOINT VENTURE OPERATOR

The joint venture operator undertakes the administrative detail of notifying us about forming, cancelling or changing details relating to the joint venture.

Responsibilities include lodging a GST activity statement for each tax period and dealing with the GST liabilities and entitlements arising from the joint venture operator's activities on behalf of the participants for the joint venture.

The joint venture operator does not need to participate in the joint venture. They may simply act as an agent.

The joint venture operator must:

- be registered for GST
- account on the same basis as the other entities involved.

⚠ If you want to consolidate GST returns for more than one GST joint venture for which you are responsible for, you need to complete *Consolidation of GST returns – notification by GST joint venture operator* (NAT 3392).

FORMING A GST JOINT VENTURE

Two or more joint venture participants may form a GST joint venture if all of the following are true:

- it relates to specific business activities
- the participants agree in writing to form the GST joint venture
- there is a nominated GST joint venture operator
- the participants and the GST joint venture operator satisfy eligibility requirements.

⚠ A GST joint venture cannot directly sell products. If you expect to share proceeds from product sales, you may need to register for a partnership or company Australian business number (ABN). You can do this online at abr.gov.au

ELIGIBILITY REQUIREMENTS

An entity will be eligible if it:

- is party to the written GST joint venture agreement with all other participants or intending participants
- is registered for GST
- accounts for GST on the same basis as all other participants in the joint venture, and
- participates in, or intends to participate in, the GST joint venture (not mandatory for the joint venture operator).

If participants and the joint venture operator do not demonstrate they meet these requirements, we will contact the joint venture operator.

⚠ Prior to sending this notification, relevant entities can phone us on **13 28 66** between 8.00am and 6.00pm, Monday to Friday, so they can update their GST details to satisfy eligibility requirements.

DATE OF EFFECT

Entities can form, change and cancel a GST joint venture and also change a joint venture operator on any day during a tax period.

You must notify us of the details of the GST joint venture on or before the day by which the joint venture operator is required to lodge a GST return for the tax period in which the formation, change or cancellation takes effect.

If you do not notify us by the relevant date, you will need to apply to us for approval of the earlier date of effect. In these circumstances, complete section G to request that we approve the date of effect.

We may accept the notified date or allocate a date of effect that is the earliest date acceptable.

The date of effect to form or add participants to a GST joint venture cannot be prior to the date that all participants satisfied the GST joint venture eligibility requirements under GST law.

Backdated approvals cannot be provided for the formation, alteration or cancellation of a GST joint venture with a date of effect longer than four years from the due date for the last activity statement.
