Completing the compulsory release authority and statement

These instructions will help you complete your Compulsory release authority and statement for excess contributions tax, which authorises your superannuation fund to withdraw funds to pay excess non-concessional contributions tax.

ABOUT THIS AUTHORITY
You have received this compulsory release authority because we have issued you with an excess non-concessional contributions tax assessment.

You must use it to authorise your super fund (other than a defined benefit interest fund) to withdraw funds from your super account equal to the assessed amount of excess non-concessional contributions tax.

You must release the full amount of tax owed from your super interests (other than defined benefit interest).

⚠️ You must complete sections A, B and C of this authority and send it to your super fund within 21 days of the issue date. **Do not** send the form to us. Your super fund will forward the form to us after they have completed sections D and E.

⚠️ If your fund does not receive the authority within 21 days of the issue date, we may charge you penalties.

If you do not send the authority to your super fund within 21 days of the issue date, we may contact your super fund directly and authorise it to withdraw funds from your super account equal to the assessed amount of excess non-concessional contributions tax.
IF YOU HAVE A DEFINED BENEFIT INTEREST FUND

You cannot use this authority to withdraw an amount from a defined benefit interest fund. However, you can use it to withdraw an amount from other types of super funds even if you did not make contributions to that super fund during the year.

If all your super is in a defined benefit interest fund, you cannot use this authority. You must pay the excess non-concessional contributions tax from other sources.

HOW TO COMPLETE THIS AUTHORITY – MEMBER TO COMPLETE

Section A: Your details
Provide any of your personal details that we have not completed to ensure your super fund can identify you correctly.

Section B: Your super fund’s details
Provide your super fund and membership details to ensure your super fund can identify your account.

Only include a nominated amount you want withdrawn from your super fund at question 13, if the amount is less than the full excess non-concessional contributions tax amount because:

- you are withdrawing amounts from more than one super fund to pay the total amount of tax
- you do not have enough funds in your super accounts (other than defined benefit interest funds) to pay the total amount of tax.

You must release the full amount of tax owed from your super interests (other than defined benefit interest).

You must choose who you want your super fund to pay the amount to. If you choose for the amount to be paid to us, we will apply the amount to your excess non-concessional contributions tax debt. If you choose for the amount to be paid to you, you will have to make arrangements to pay your excess non-concessional contributions tax debt to us.

You should contact your super fund for more information if:

- you have more than one account
- you are requesting your fund to make the payment to you, but you have not previously identified a preferred payment method.

If you want amounts withdrawn from more than one super fund, you must complete a separate authority for each fund. You can do this by photocopying the authority and nominating the amount to be withdrawn from each fund.

Section C: Member authorisation
Print your full name, and sign and date the authorisation.

You must provide an original signature on each copy of the authority you use.

If you withdraw an amount greater than the amount of excess non-concessional contributions tax we have included on this authority:

- we may charge you an administrative penalty of 20 penalty units (currently $3,600)
- you will be taxed on this extra amount, as you must include it in your assessable income for the financial year in which you received it.

WHAT IF YOU WITHDRAW EXTRA FUNDS?
Your super fund must tell us the amount it releases.

This authority is only valid for 90 days after the issue date.

When you have completed sections A, B and C, send the authority to the super fund you nominated in section B. Do not send the form to us. Your super fund will forward the form to us after they have completed sections D and E.
**HOW TO COMPLETE THIS STATEMENT – SUPER FUND TO COMPLETE**

**Section D: Details of the released amount**
The super fund completes this statement by providing details of the amount released and sends the statement to us within 30 days of releasing the amount.

To work out the amount you must release, determine which of the following is the lesser amount:
- the excess non-concessional contributions tax amount at question 12
- the amount nominated by the member at question 13
- the total value of your member’s super interests in your fund (other than a defined benefit interest fund).

If you do not pay the amount to your member or us within 30 days of receiving the release authority, we may charge you an administrative penalty of 20 penalty units (currently $3,600).

**Section E: Super fund declaration**
Complete the declaration that applies to you if you are either:
- a trustee, director or authorised officer
- an authorised agent.

Print your full name, and sign and date the declaration.
